OPENING

PANTHERMANIA: BHS WAY OF LIFE

What is Panthermania? It's that natural instinct that urges a student to stand and scream, "V-I-C-T-O-R-Y!" It is the spirit of homecoming, or cramming together before a test, and wearing things to school that you wouldn't normally leave the house in. It is a loyalty to each other that will find a band member, a cheerleader, and a football

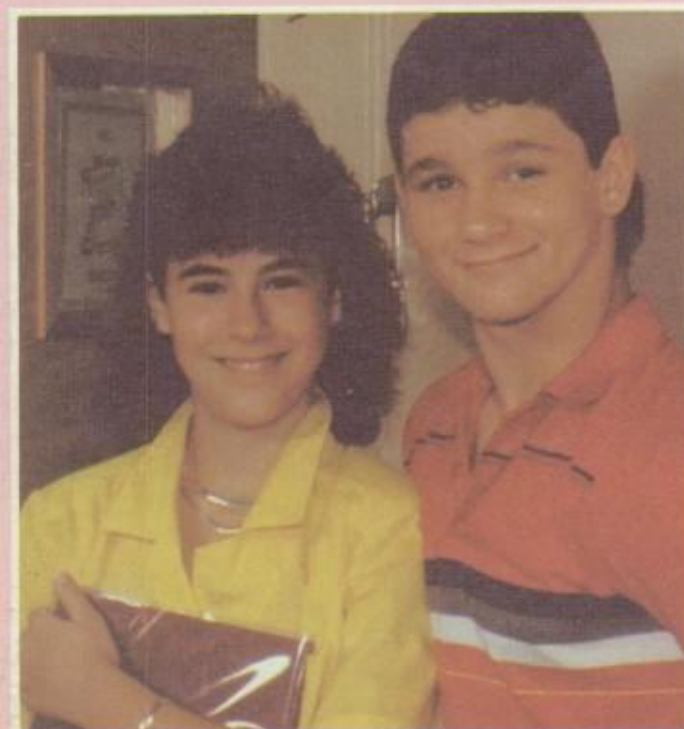

player huddled together after a hard fought game to celebrate. It's a vicious competitive spirit that even rises to make scholar bowl matches exciting. It's more than a feeling; it's closer to a love. It's a BHS way of life. What ya gonna do when Panthermania runs wild on you?

STUDENT LIFE

Busy, active, full of fun, that's typical for the life of a BHS student. Some things are standard for high school life like riding the bus and braces. Other events are special effects of Panthermania like dances that "run wild," and racing out of the parking lot, down to the corner. Homecoming, of course, is Panther-rich tradition. The doors, the stationary floats, the court and queen, the game, and the biggest dance of all make for an exciting week. One other big event affects student life, the beauty walk. Girls rushing about for formals and the gorgeous parade on the stage leave an almost magical impression that is purely Panthermania.

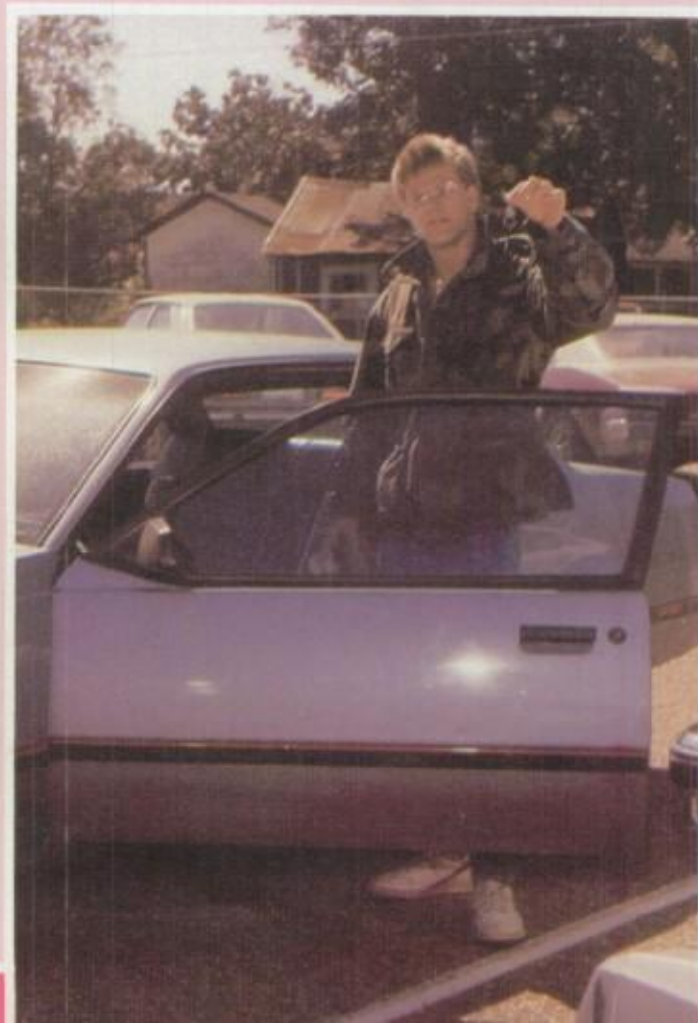

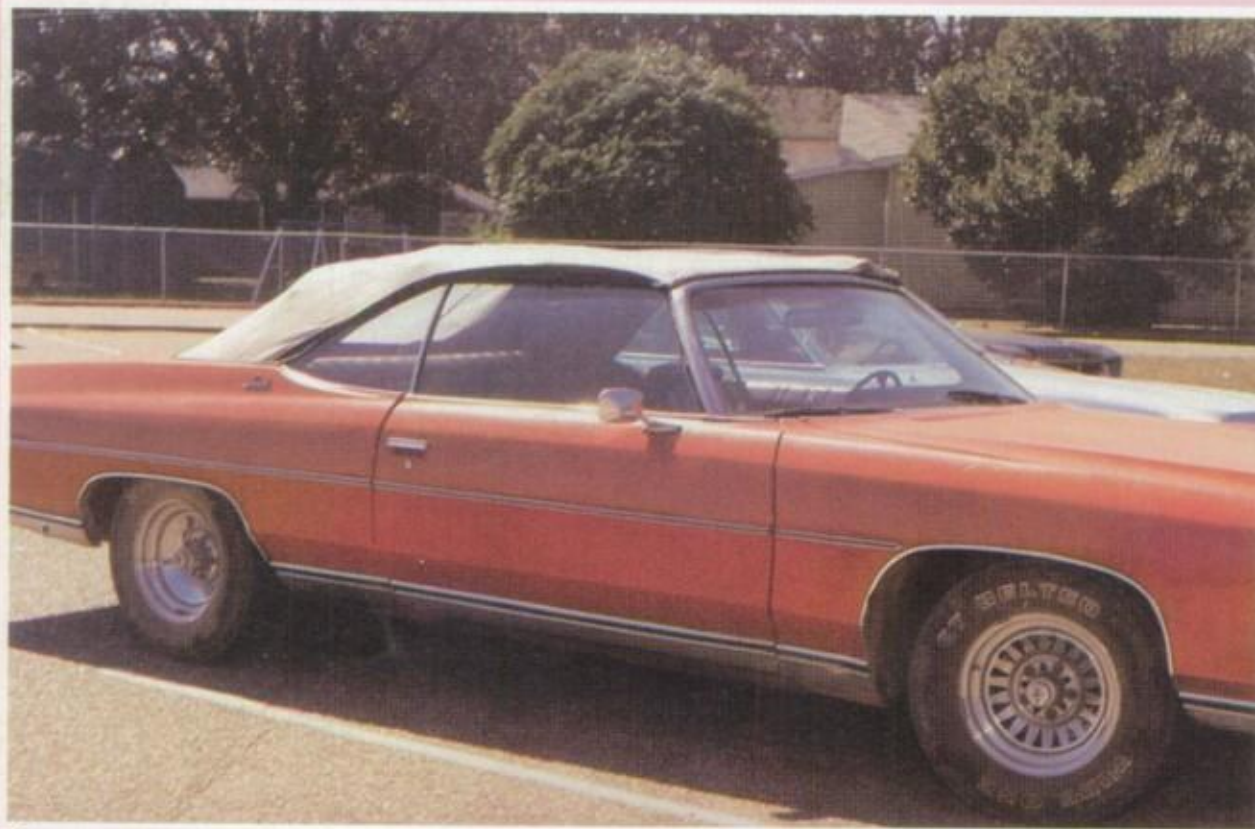

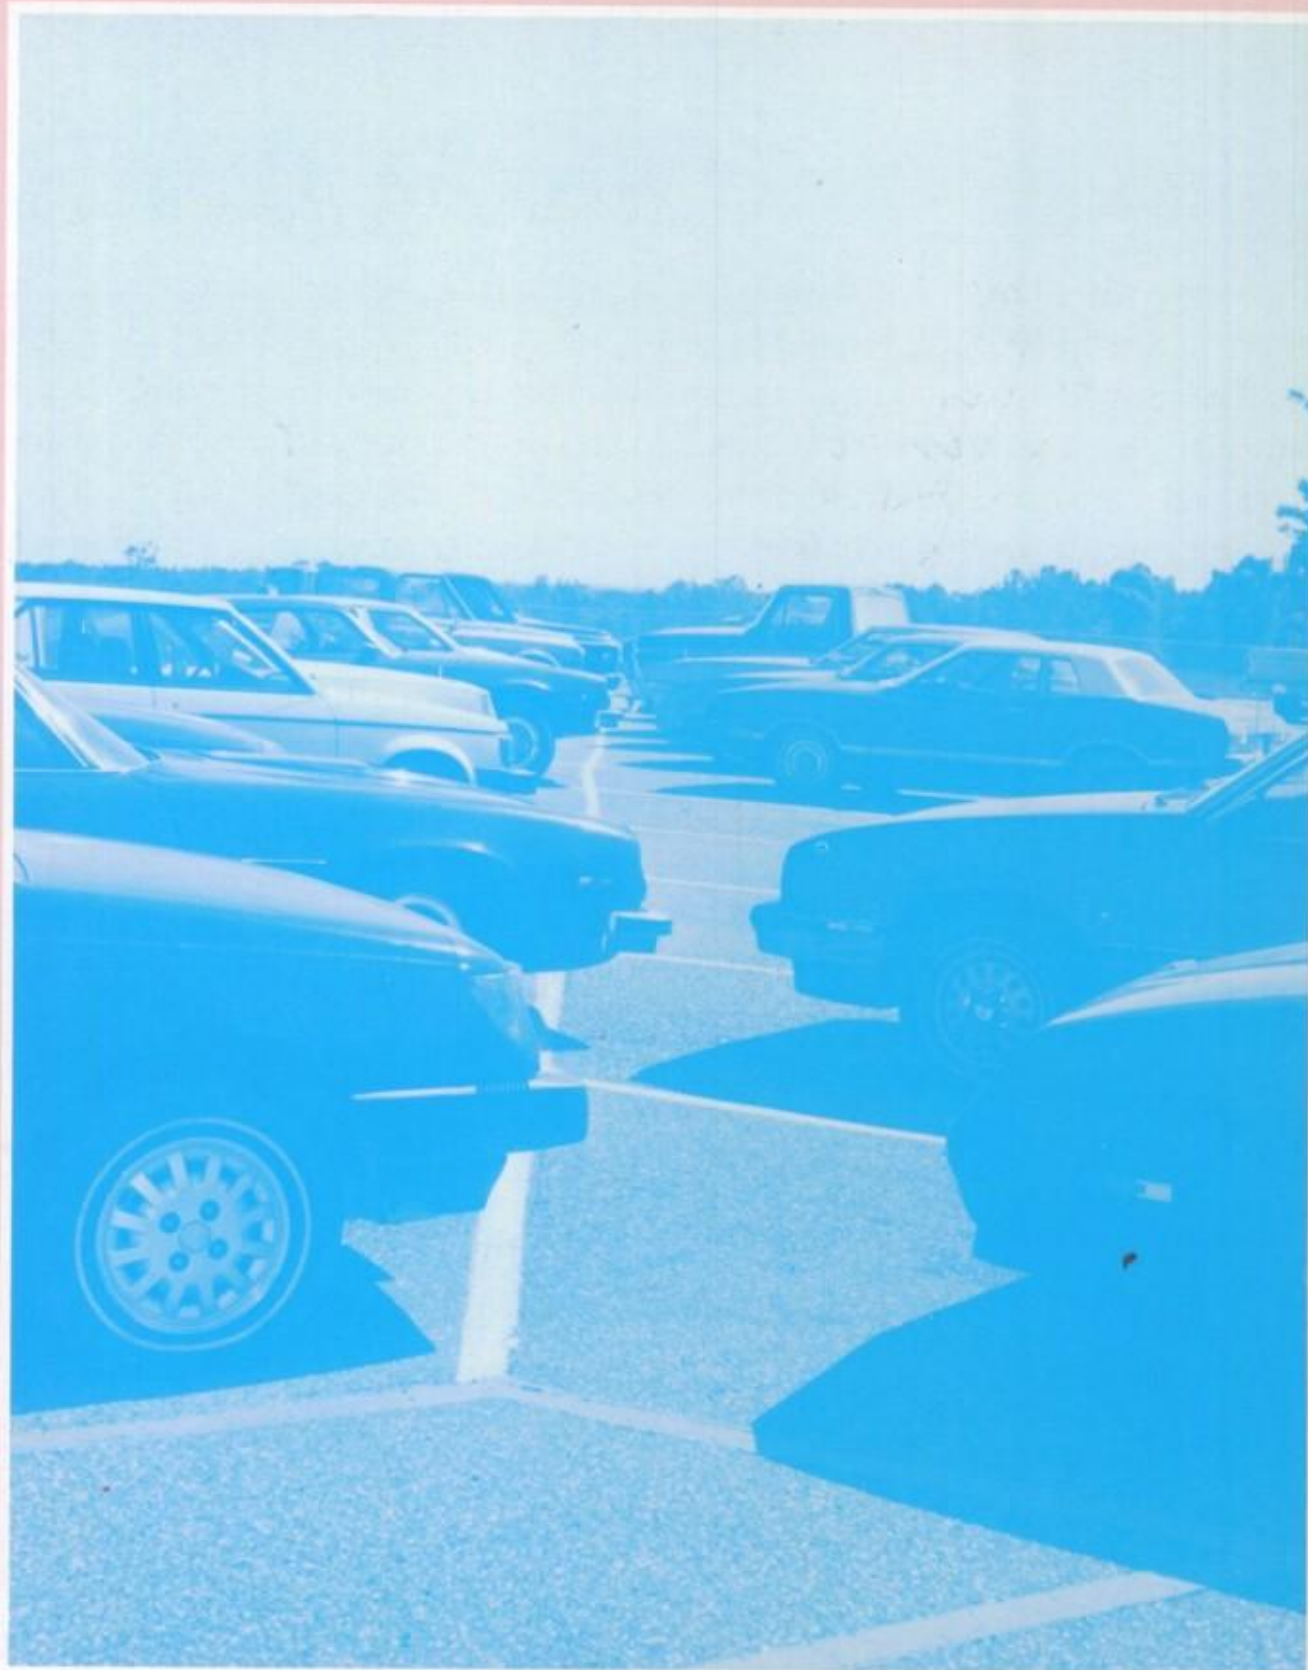

“Is Driving To School All That It’s Cracked Up To Be?”

“I get up a few minutes later than usual because I know I do not have to ride the bus. This is such a relief because, for once, I do not have to sit with some little kid with sticky fingers. Thinking I will have plenty of time, I choose my clothes carefully and fix a leisurely breakfast.

Oh my gosh! Where did the time go? I am running extremely late! I grab my books as I dash for the door. When I get in the car I notice that it is almost out of gas. Oh well, I have got enough money so I will stop somewhere on the way.

Boy was I wrong! I have just enough money to get to school, eat lunch, and get home again. I am really late now so I drive like a person possessed until . . . I see a large orangish-yellow box on wheels in front of me with its lights flashing. A school bus!

I get to school just in time to slide into homeroom before the bell rings. Was driving to school really all that important? And is there anything wrong with riding the bus? Maybe not, but I sure am glad I did not have to!”

Driving Us Crazy!

At the sound of the 3:05 bell, the students make a mad dash to the parking lot, hoping to be the very first to arrive at the "Spot". No one knows for sure why this one certain store attracts so many teenagers. Whatever the reason, you will be sure to find the store jammed with students buying snacks, visiting with friends, or just making general nuisances of themselves.

Because of this confusion, some problems crop up

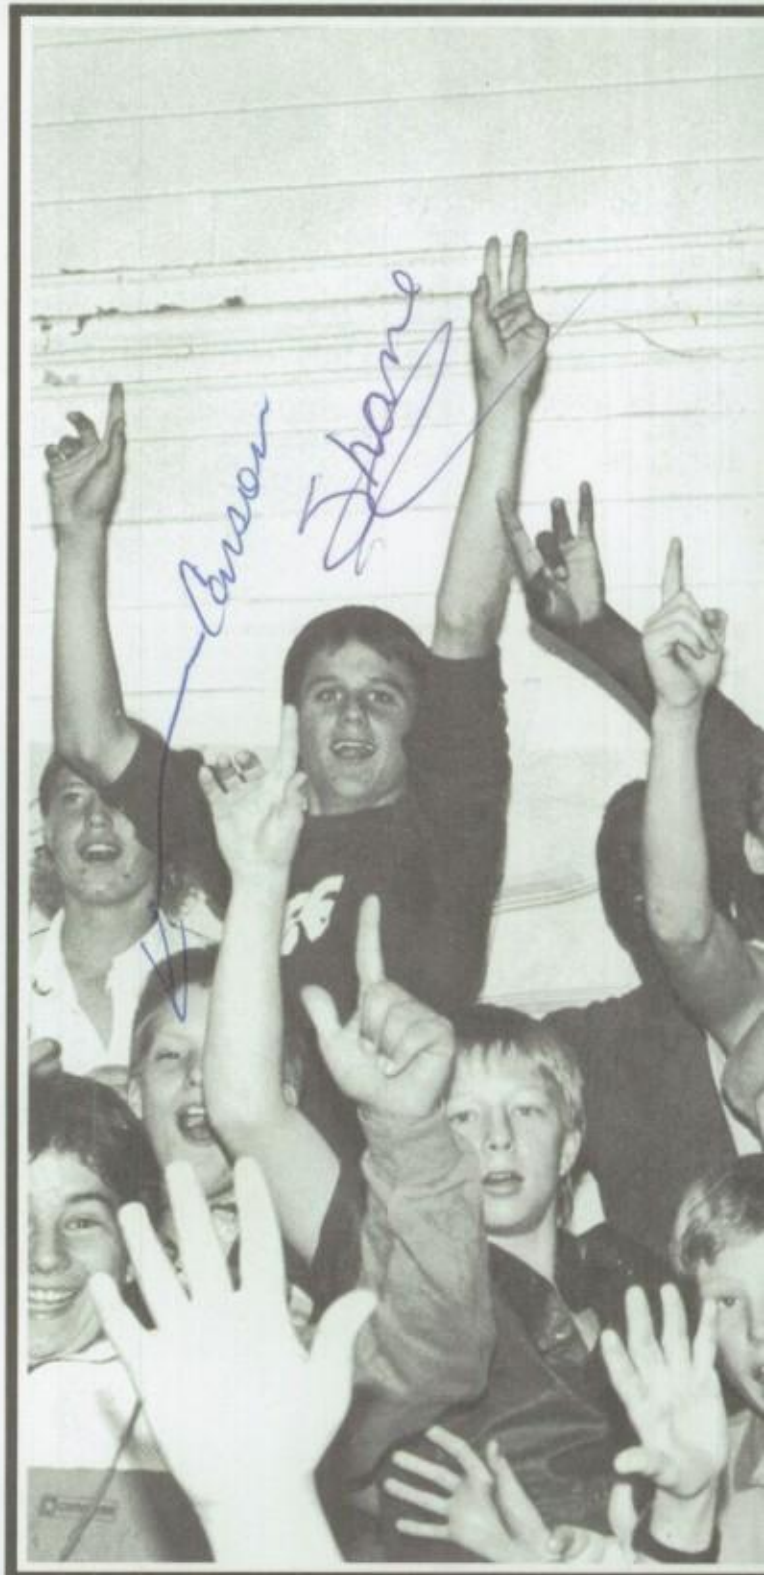

occasionally. Accidents have occurred due to people trying to hurry too much, and sometimes once they are parked they cannot get back out because of the great number of cars that block them in. Also, it takes quite a while to pay for snacks because of the long lines. In spite of these problems, the BHS students continue to trek to The Spot after school and probably will for sometime to come.

the Right Spot"**

“What About That Tin Grin?”

Many of the students of BHS walk through the halls flashing silver smiles. Braces are one of the facts of life for many students. Although you may dread the two to three years of trips to the orthodontist for tightening of the steel objects in your mouth, there will be a realization once they are gone that it was surely worth the wait.

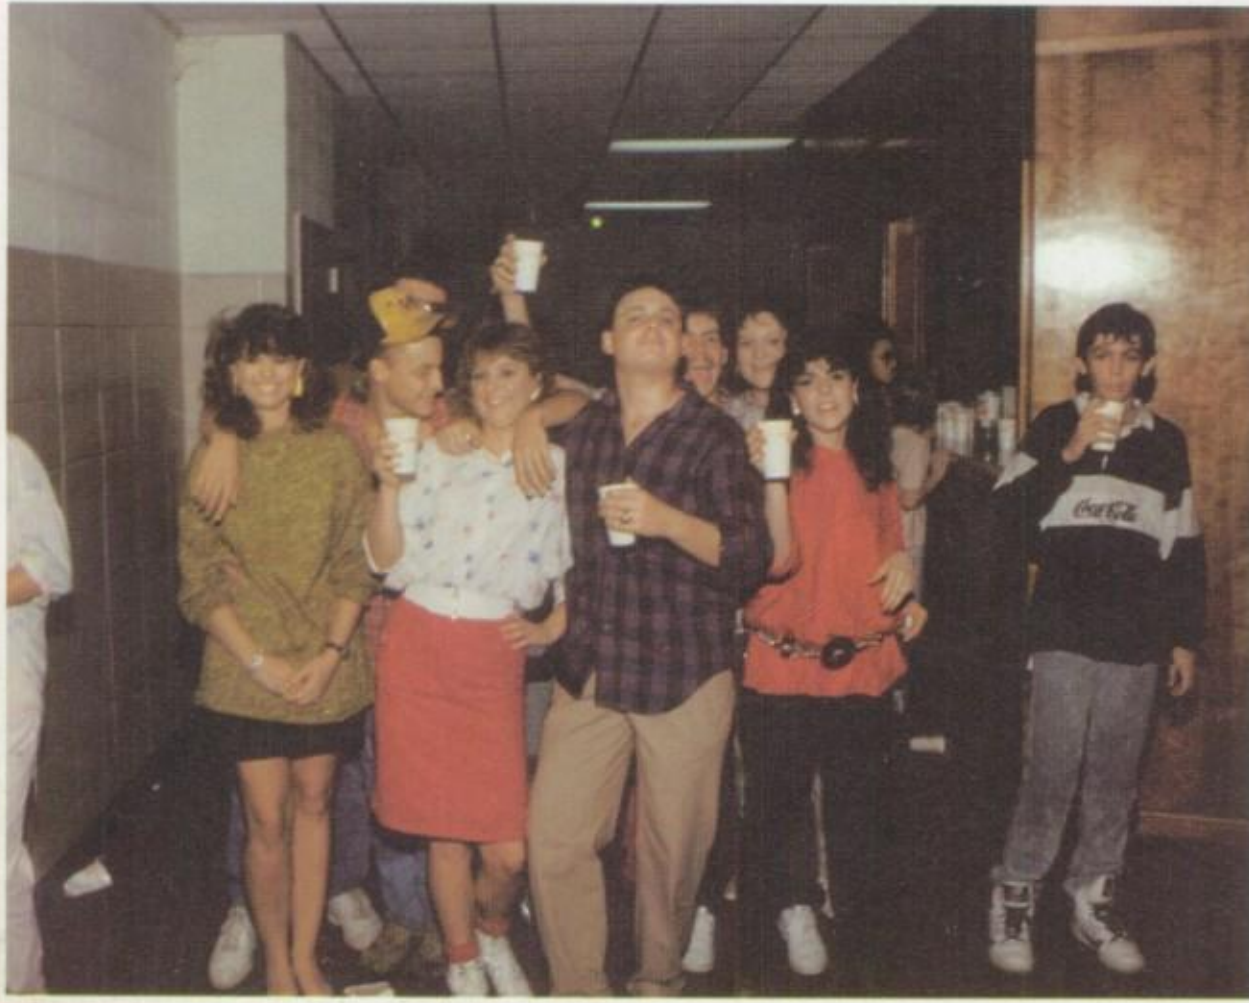

Certain foods and braces just do not mix, so some students may prefer to carry their toothbrushes all day long. Little, tiny rubber bands often fall from plastic packages and escape their destiny of pulling teeth.

Steppin' In Style

BHS Fashion Is Definitely “Everything Goes!”

If you scope out the scene at Brookwood High, you can't help but notice that when it comes to fashion — everything goes! It does not matter if you are wild and crazy or the ultimate conservative; with today's fashion your true personality can shine through. One may see acid washed, holey blue jeans with lace and ruffles. The skirts range from above the knees to at the ankles, it just all depends on someone's mood or taste. Bows are at the top of the list when it comes to hair fashion, but even these are made from leather to lace. The guys' clothes are also greatly varied. One might see dress pants

and sport coats on some and stone washed blues on others. Even your socks can express your mood. There is every color you can imagine — shocking pink, bright yellow, army green, jet black and so on. Shoes also go from one extreme to another also. You see high top tennis shoes, traditional pumps, “ugly” boots and even topsiders without socks. It makes the old cliché true about “What goes around comes around.” If variety is the spice of life then Brookwood's fashion is definitely spicy!

STUDY, STUDY, STUDY!

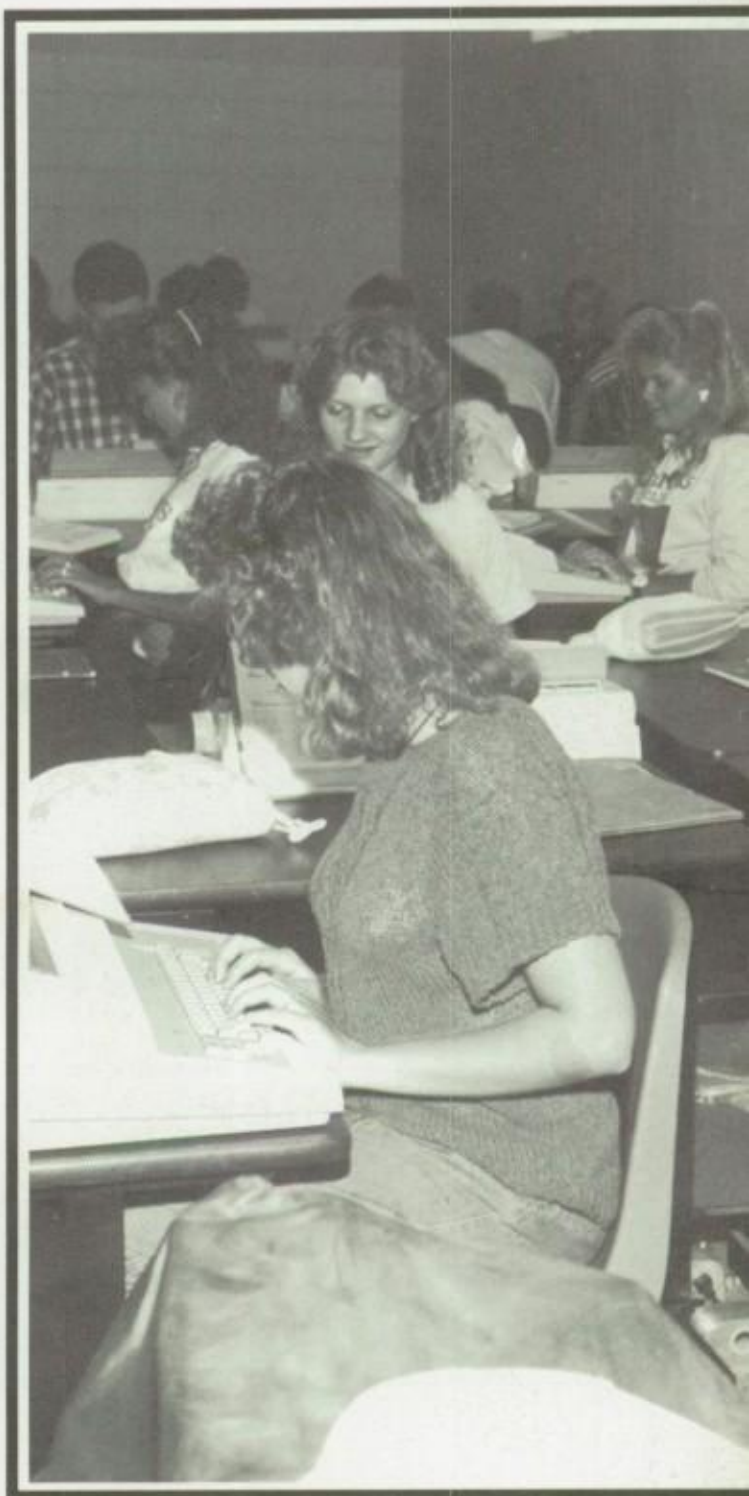

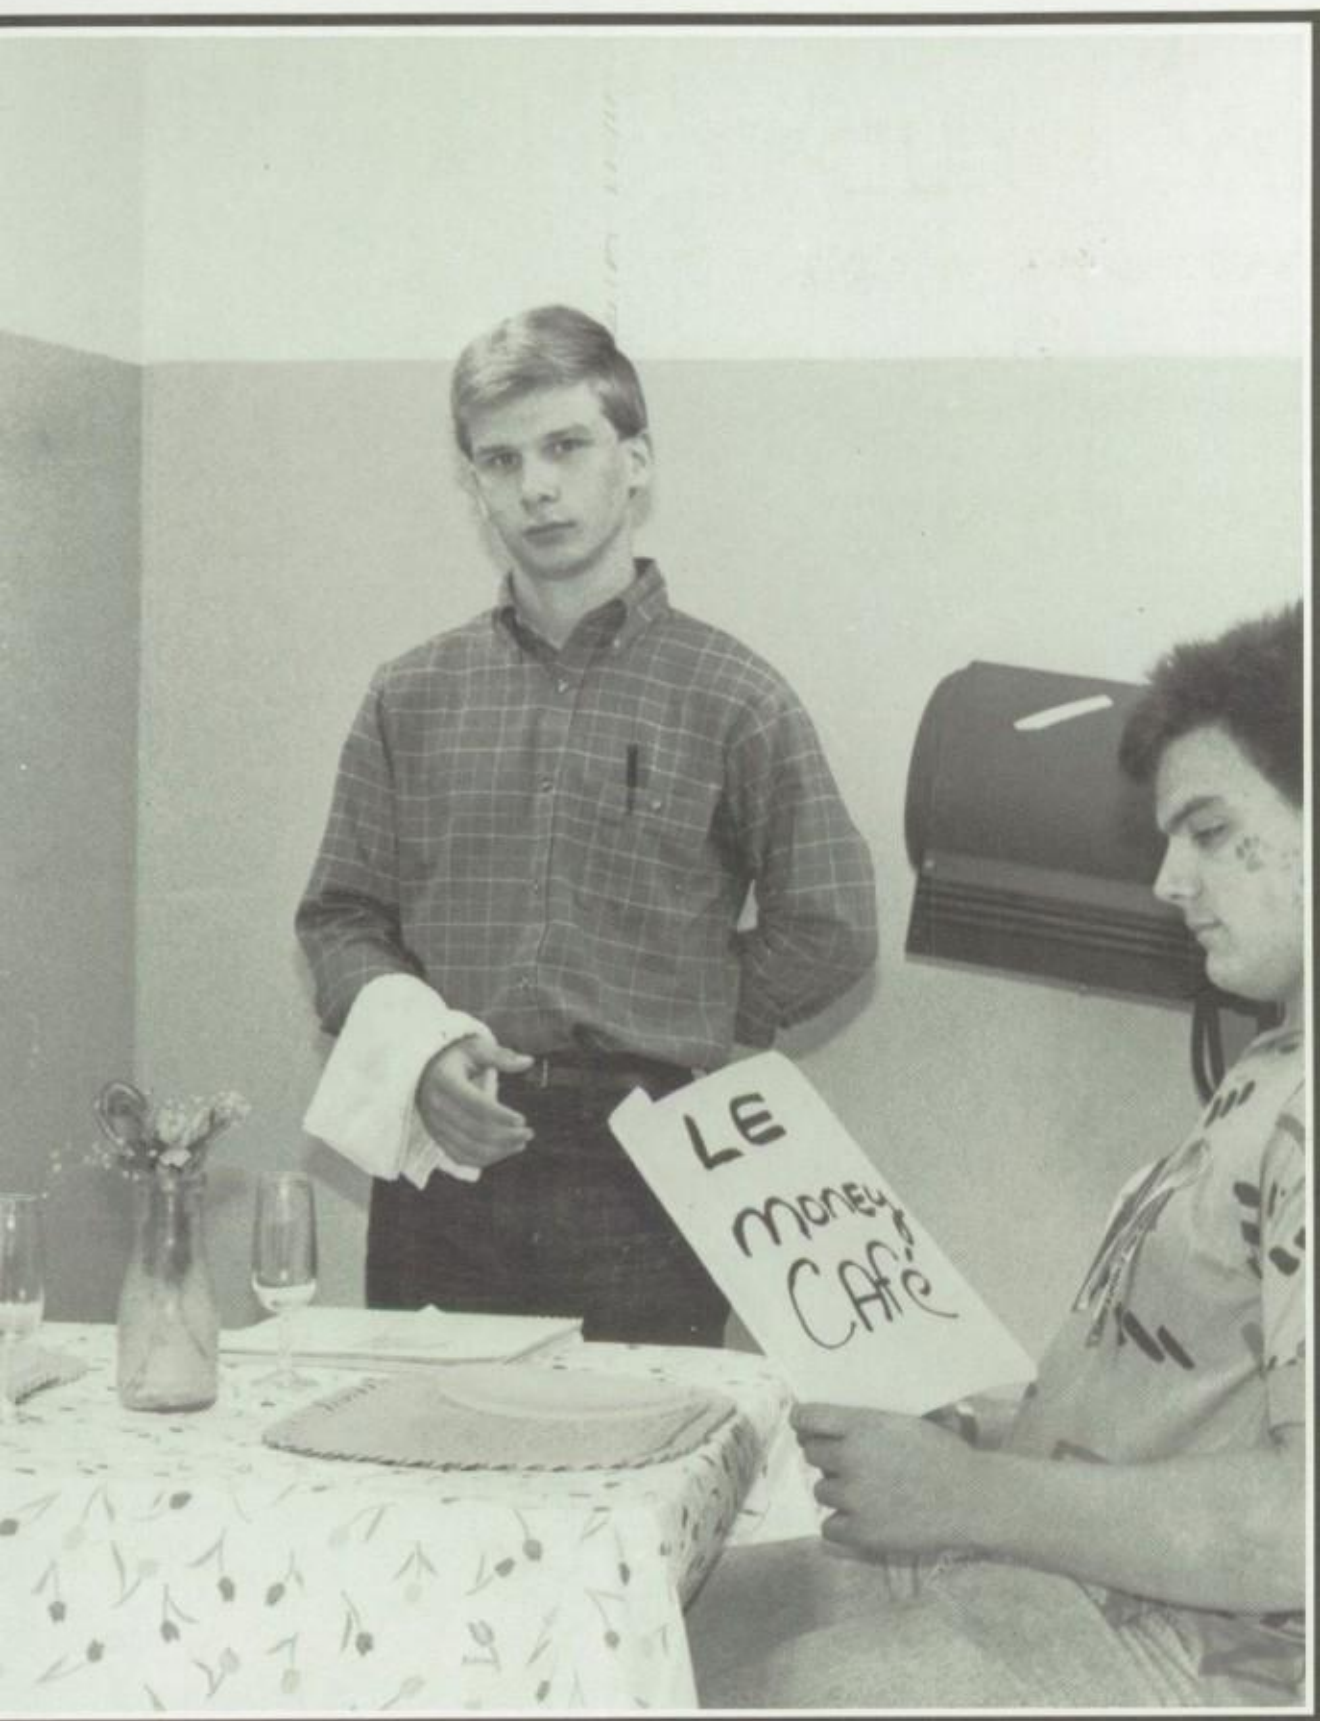

BHS offers a variety of academic classes to keep students busy. Spanish, Speech and Drama, Computer Science, Band, Chorus, and Business Education, plus the required basics help to give a complete education and prepare students for college and careers. Advanced curriculums include advanced placement (AP) English and

American History and Bio Prep curriculums.

The halls are often filled with students studying or finishing homework before homeroom. General cram sessions are frantic and concentrated, but studying in groups can help to make the learning process fun.

ACADEMICS

LUNCHTIME CHOICES

Cafeteria life is somewhat hectic. The lines are long and the tables are crowded, but it does provide a moment to chat with friends, and "munch down" on the day's choice of lunches. BHS currently offers two separate lunch trays, usually a meal and a sandwich tray, salads, individual items like pizza and fries, ice cream snacks, and milk, tea, or punch.

Students may also choose soft drinks and snacks from the vending machines for lunch. At fifty cents an item, coke and crackers make a fast lunch when time is short and work is piled high. The machines do pose problems sometimes when the wrong combination of coins triggers an attack of "It took my money!"

Among these lunch choices rises the staple food of the teenager — — Ketchup! Most of the students say that lunch just isn't complete without some. Of course, ketchup is usually eaten with french fries, but some students are creative with their seasoning. Ketchup on pinto beans? Oh well, to each his own!

Despite the crowded tables, the cafeteria remained cool and pleasant throughout the year thanks to new air conditioning. The long awaited unit was installed soon after school began and worked so well that for the first time ever students complained of being cold at lunch.

LONG LINES AND LAUGHS

"CATCHING THE CHEESE"

Every morning Brookwood High School students face the freezing cold waiting for the bus; and finally, when it arrives, they must scramble for a seat. Buses are one of the many traditions passed from generation to generation, and used by students all over the world.

There are many comments used by high school preps concerning the "cheese box". When asked how they feel about riding the school bus, students gave various comments like, "I

hate it!" and one of the most common, "I wish I had a car".

Every afternoon means getting books, pushing through the halls, rushing to keep from missing the bus and during all of this, listening to the dreadful comments of the students who drive. As this routine goes through the students' minds they wonder, "Why? Why do I have to catch the cheese?"

BHS Celebrates Constitution

On September 11, 1987, Brookwood High School celebrated the Bicentennial of our Constitution. Among the distinguished guests at this recognition of our Constitution was Secretary of State, Glen Browder. He spoke to the spectators about the importance of the Constitution and how grateful

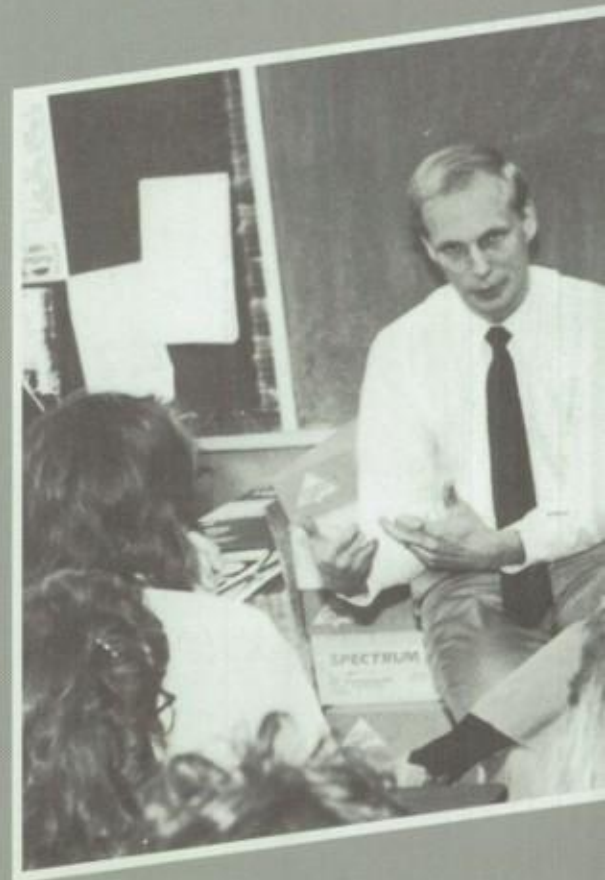

we should feel to be free. During the ceremony awards were presented to the Bicentennial Essay winners, Monica Fields, senior high, and Jared Short, junior high. The American Legion closed the ceremony with a traditional flag raising.

MINI FEATURES

These mini feature articles were designed just to highlight some special events and people in the student life of BHS. In hopes of covering more than is possible on traditional layouts, the mini design can be both fun and

informational. You may find some of the featured people to be some of your friends. Don't let them fool you, this publication doesn't make them celebrities; it's only for fun. ENJOY!

Exchange student Karen Gisler hails from Switzerland. She says that she enjoys living in the U.S. because the people are easy going and friendly. There are many differences between our countries though. The school systems are totally different and here you only need to know one language to get by. Karen, however, speaks four, but these are almost like second nature because they are all spoken in different parts of Switzerland. One big difference is the number of people with cars. She had never eaten in a car until coming here and says that we have drive-throughs for "everything".

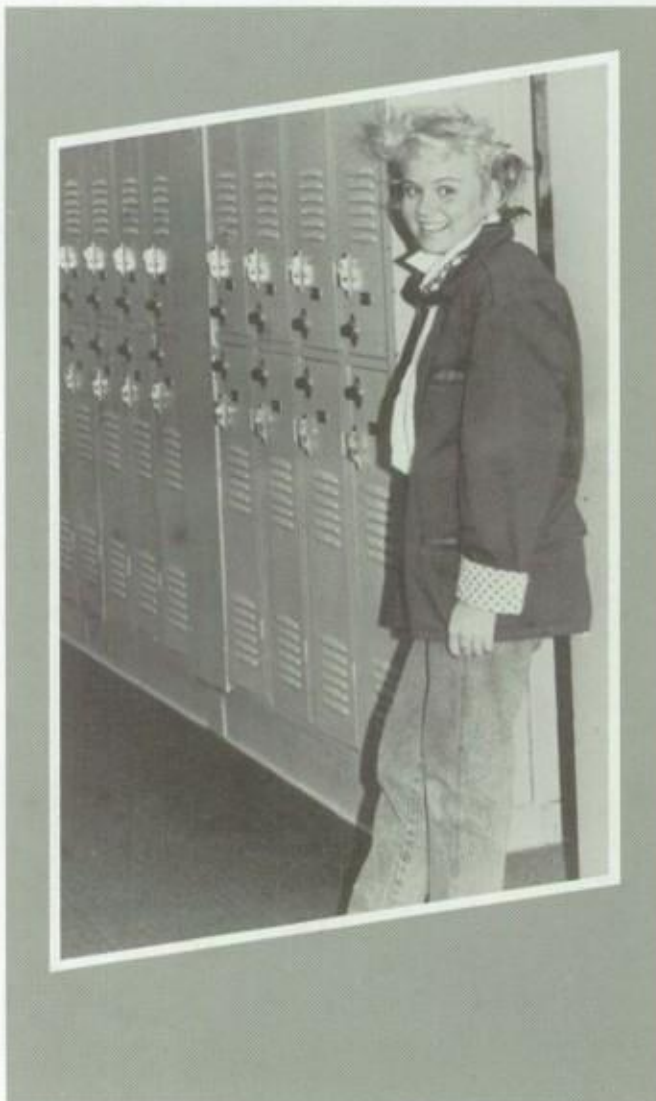

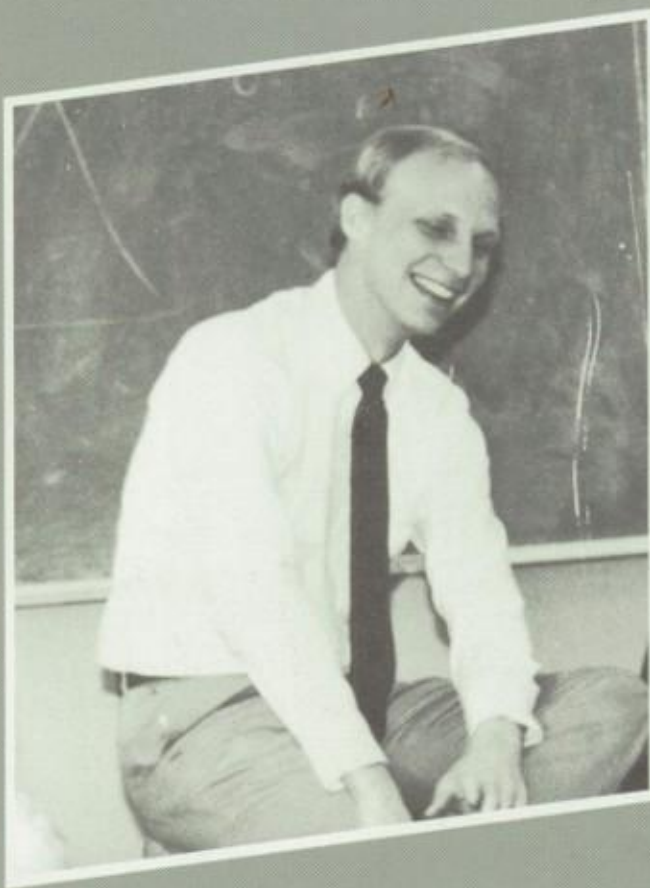

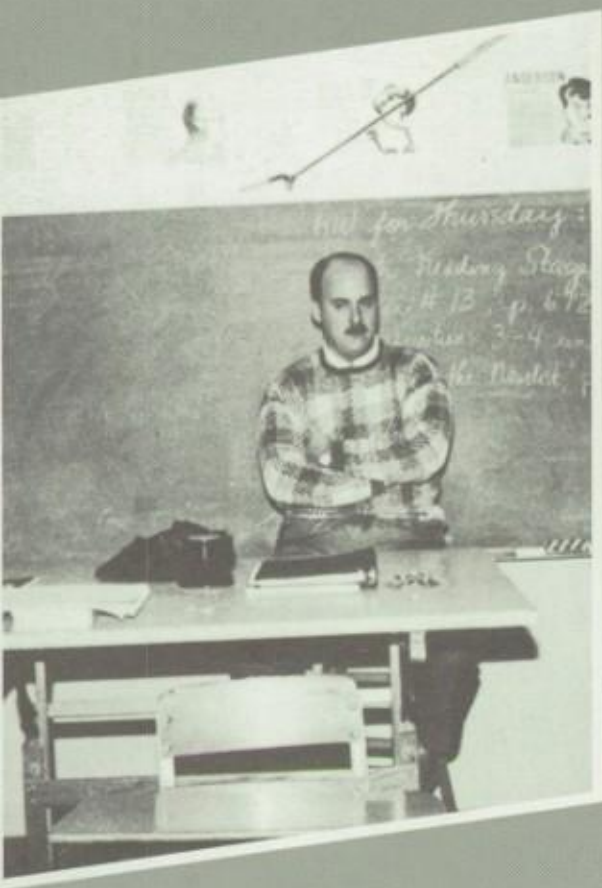

CHRISTMAS IN BHS

Candy Battles poses next to the cafeteria Christmas tree dressed in true holiday spirit. BHS Christmas festivities include the Brookwood Christmas Parade, the Tuscaloosa Christmas Parade, the band and choral concerts, and a Christmas dance.

Aziza Bothur, our German exchange student, lived with Doug and Janice Griffin and their sons, Barry and Chad. Aziza said she loves it here and wishes she could stay longer. Some of her favorite things were the pep rallies, football games and playing volleyball. Aziza got her driver's permit in October and has been practicing since in Germany you must be eighteen to drive. This is a new skill she is anxious to show off at home.

SPECIAL SPEAKERS ENJOYED

BHS was privileged to have several guest speakers throughout the school year including Brookwood Police Chief Jimmy Larson, Rick Shelton of Shelton State, Dan Cates of Channel Six News, and many parents and employees of Jim Walter Resources who acted as "Teachers for a Day". Students said they enjoyed the break from regular classwork and a fresh perspective from the real world. Professionals in the classroom allow the students to see where they can apply their skills in the future.

DRIVING FORCE

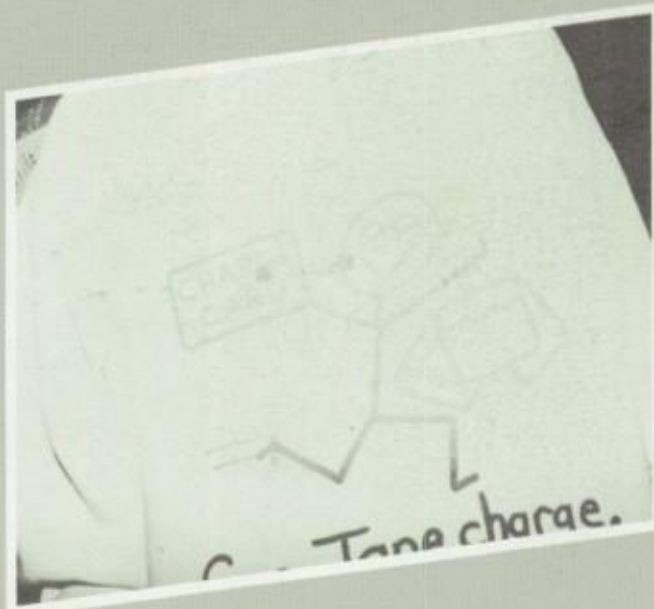

Members of the band "Driving Force" finally got to perform in front of their friends at a school dance this year. Students did more watching and listening than dancing, but that was okay with the band. They enjoyed showing off. Members include Dennis Brown, Jason Hilley, Angie Brown, Christy Dockery, Johnny Patton, Greg Barnette, Bryan Marchant, and new drummer Jamie Hiott.

Dennis Brown, who says he started

playing the guitar seriously at age fourteen, started the band with his friends and family. Parents financed the band's original equipment, but now they are beginning to make some money by playing dances and parties. With a name from a Van Halen interview on MTV and a list of 100 songs, five of which are original, the band keeps working harder in hopes of making the big-time. Who knows? Maybe we'll see them on MTV one day.

SPENDING MONEY

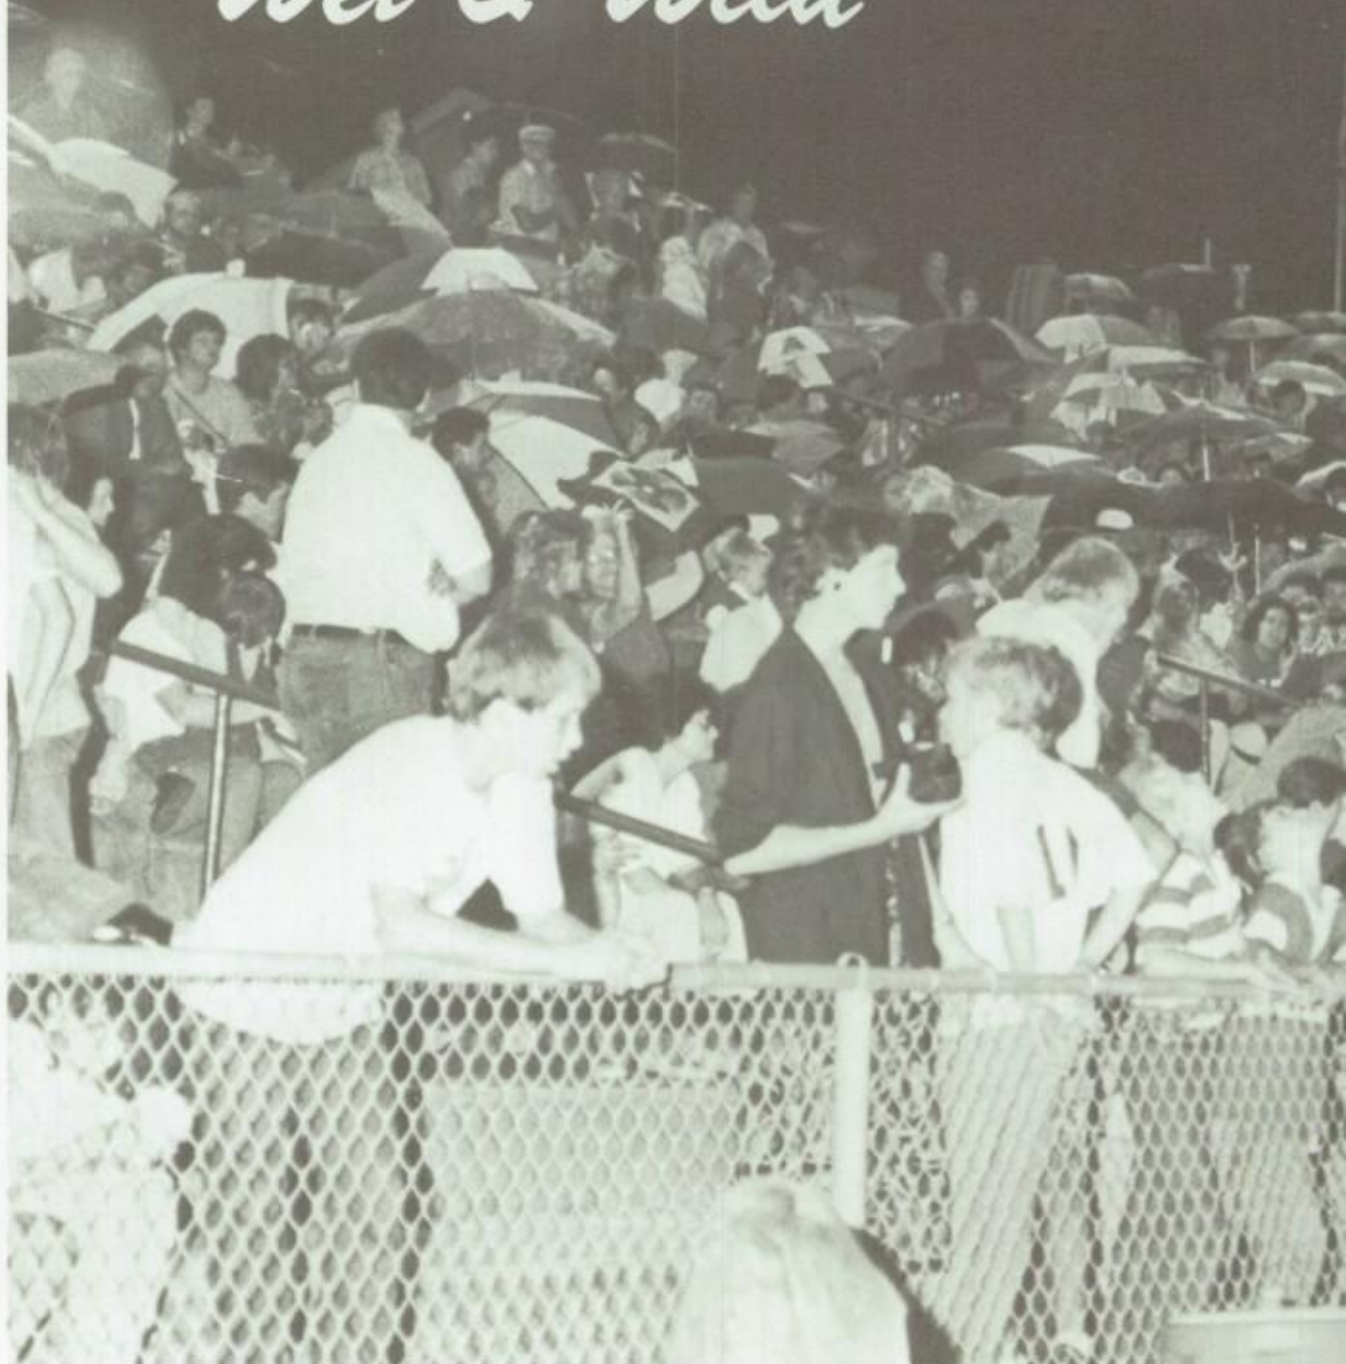

BHS students are no different from other teens across America. They can't pass up a chance to spend money. Whether it's at school or in the mall, they face buying decisions daily. It's safe to assume BHS did its share in creating a national sum of \$78 billion spent by U.S. teens in 1987.

HOMECOMING '87

"Wet & Wild"

Although BHS lost the game and the weather was damp, to say the least; the homecoming spirit was far from dampered.

Traditional Festivities Fill Homecoming Week

Homecoming at BHS is always a big event; 1987 was no exception. The week was a day by day building of spirit that exploded on Friday night. Unfortunately, so did the storm clouds. For the fourth time in a row, fans and students withstood the weather to see the Panthers play football. The umbrellas formed a giant canopy across the stadium while the field became one huge mud hole, the teams' uniforms were hard to

tell apart in all brown, and under the eaves of the concession stand was the hottest place to be.

The rain failed to damper the spirit though, and neither did the disappointing loss to Demopolis. Students dried off as best they could and got ready to dance the night away. Disc jockey "Happy Butch" from K-98 directed the party which ended the week long festivities.

HOMECOMING '87

Homecoming week kept everyone busy. Dress-up days were observed that included sock day, jersey day, pajama day, inside-out day, and red-white day. Homeroom door decorations were also put up and judged at the end of the week. Miss Medders' homeroom, 12E, won the door contest. Building around various themes, this once endangered tradition was restored to full glory and even expanded

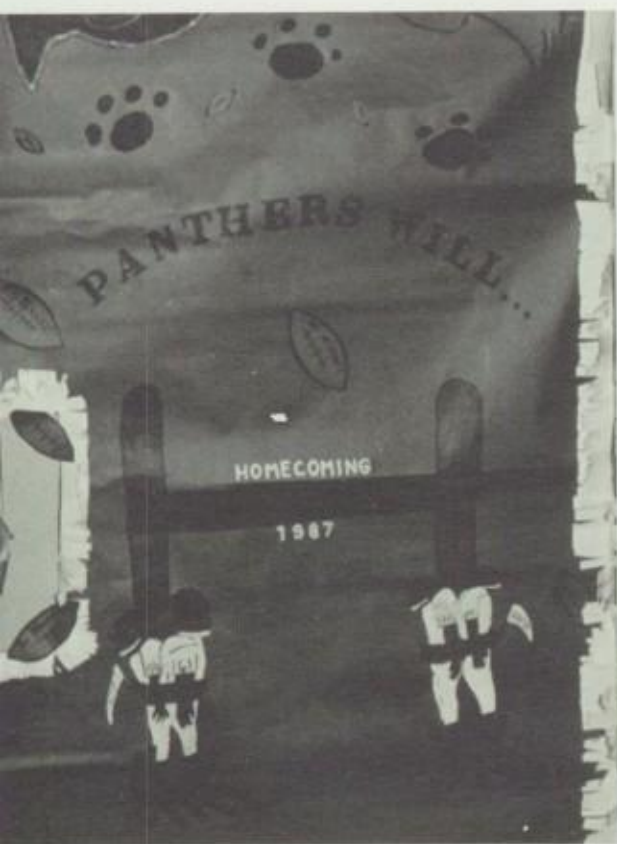

on with stationary floats.

Stationary floats involve more construction and time than door decorations, and this year were built by clubs. Hours of stuffing pomp paper into chicken wire left sore fingers and broken nails, but the impressive display was worth the time for first place winner, the Speech and Drama Club.

HOMECOMING QUEEN TRACI HERRING

Traci Herring was crowned 1987 Homecoming Queen on the football field at halftime despite continuous drizzle. Traci is the daughter of Mr. and Mrs. Jessie Herring, Jr. Her activities include VICA Vice President, BADD club, and spending time with friends. Traci's future plans are to major in nursing at the The University of Alabama. Traci certainly made a lovely homecoming queen and will definitely be remembered.

The tension was high as the audience waited for Brent Meadows, the Master of Ceremonies, to announce the first runner-up leaving Stacy Battles to be crowned Miss Jr. High Brookwood. The moment of truth; Stacy was so excited, but also nervous. It was unbelievable to her that she was the one who had shown through above all the others. Stacy said, "This was the most thrilling night of my life."

MISS JR. HIGH BROOKWOOD STACY BATTLES

Stacy's parents are Mr. and Mrs. Kenneth D. Sanford of Cottdale. In her spare time she enjoys ballet, piano, cheerleading and participating in Key Club activities.

Stacy plans to attend the University of Alabama and pursue a career in the fine arts.

MISS BROOKWOOD ANGIE REACH

This year's beauty walk was a very special one for Angie Reach. Angie had no idea she would be crowned Miss Brookwood 1988. She said she was in total shock after her name was called for the top five. When the first runner up's name was called, she opened her mouth to scream, but nothing came out. All she could do when Paige Donaldson crowned her was say, "Tell me this is for real!" Angie said being Miss Brookwood 1988

has made her senior year very special.

Angie's parents are Mr. and Mrs. Frank Reach of Vance. She enjoys singing in the BHS Chorus, Ensemble, cheerleading, gymnastics, and softball. After high school, Angie plans to attend Shelton State and later transfer to the University of Alabama where she will major in Psychology.

PANPWA

Panthermania is not only the theme of the Pantheron this year, but also the theme of the student body. The people here are all different due to many factors; we have separate lifestyles and varied views on our world. But they all, in spite of the differences, come together, as in a kaleidoscope, forming something beautiful and memorable. The people of Brookwood High School are a part of Panthermania, an important part, and without them this spirit would not survive.

"The Beginning and The End"

May 23, 1988 marks the beginning and the end for the seniors of Brookwood High School. Six years ago they were awe-struck seventh graders gazing at an ominous red brick building with much apprehensiveness. Now they are seniors facing different goals with much higher stakes.

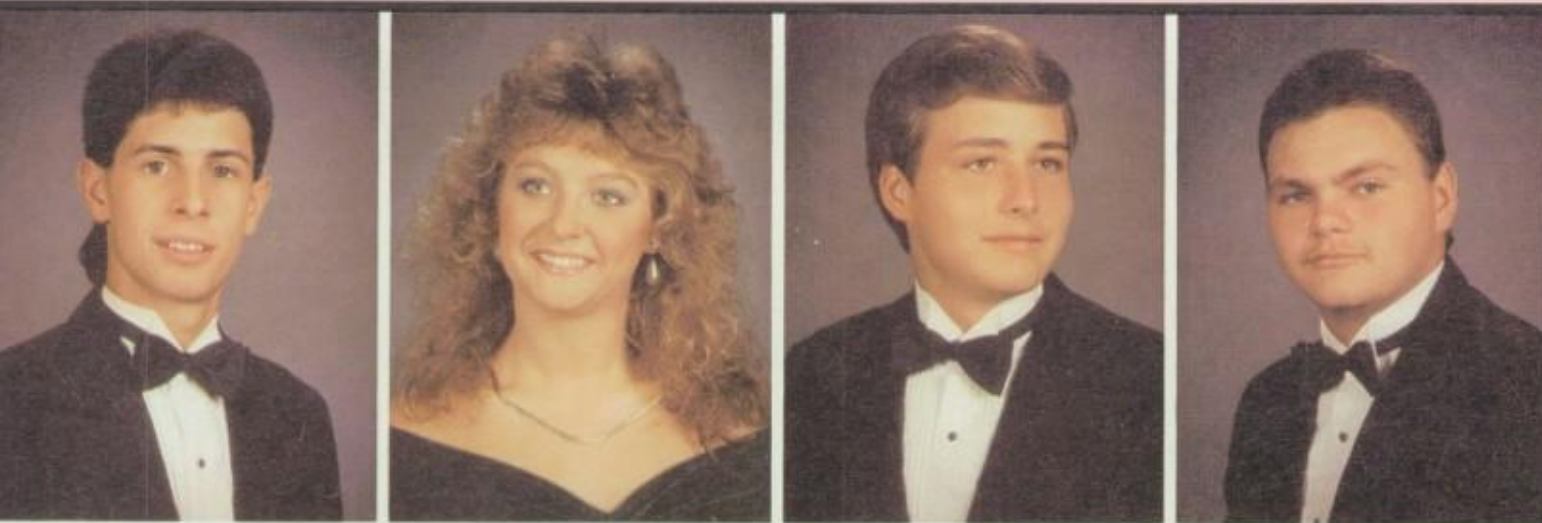

The class of '88 has watched their school grow, experience success and turmoil, and change as they themselves have grown and changed. That first apprehension has now become a sense of belonging to a school for which they can be proud.

To Brookwood High they bid farewell, leaving its future in the hands of those who will follow. The world is now theirs. They have accomplished much, but new worlds must be conquered. With the experience and knowledge they gained here at Brookwood, they have only to reach out and grasp the true meaning of life.

THE INSIDE STORY

A new administration came to Brookwood with the 87-88 school year. The administration brought about several changes such as, a new lunch schedule, Friday afternoon detention, Monday afternoon study hall, and additional snake machines.

Mr. Sadler, Patrick, and Costanzo, our new administrators approached the year's challenges with positive outlooks for the future. They all felt the students at BHS have been courteous and they have enjoyed getting to know them.

Mr. and Mrs. Sadler have four children, Barry Jr., Jason, Jennifer, and Melissa. When not spending time at BHS,

Mr. Sadler spends his time participating in sports and he also enjoys genealogy as a hobby. He said "I would like to see an increase in academics at BHS."

Mr. David Patrick and his wife, Debbie, do not have any children. For recreation, he likes to hunt, play golf, and coach girls softball. He said, "If I could change one thing at BHS it would be to have more room and better facilities."

Mr. Frank Costanzo and his wife, Teresa, have two children, Brad and Ryan. In his spare time he likes to fish, run, and he participates in church activities. He said, "If I could change one thing about BHS it would be more regular student attendance."

DEDICATED TEACHERS AND SUPERIOR SPONSORS

Throughout the years, BHS has gained many clubs, organizations, and activities. In order to perform these programs the students need a leader who is responsible, educated, and has a lot of patience. What person could be more qualified for this position than a teacher?

The teachers that sponsor these clubs, organizations, and activities, not only sacrifice their time for the students, but miss being with their own family some of the time.

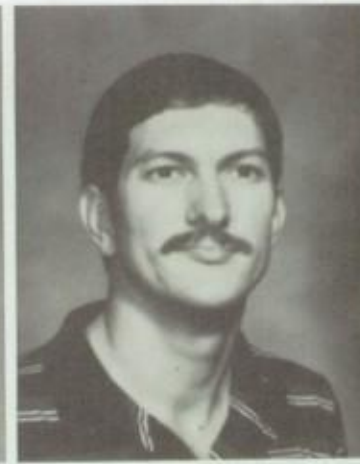

When asked about giving up their extra time, the teachers gave several responses. Mrs. Gray said, "I enjoy the athletic program. Sponsoring the jr. high cheerleaders gives me a chance to do both."

Mrs. Poole, the sponsor of the Key Club, said their club has made some major accomplishments

this year, "We're getting the students more involved with the community and making them realize that giving is better than receiving."

Last, but definitely not least, is a man with as much school spirit as any student in BHS. The band director, Mr. Gray, has had many good things happen to him this year. The BHS band under his direction has earned superior ratings at two marching competitions. They were asked to perform at the Gator Bowl, and earned several trophies.

Mr. Gray said the best thing that has happened to him since he has been at BHS was the night the band performed at the Bibb County game in the rain with school spirit and smiles on their faces. "The feeling in the air and the smiles they gave me are forever," said Mr. Gray.

Several of BHS faculty and staff enjoyed posing for the "Ugly legs contest".

UPDATED STUDY HABITS

Teachers often try to help students, but they are not always successful. Two new forms of assistance, although not so new in education, have been introduced to BHS.

Study hall is for students who need aid in academics to pull their grades up. This is in addition to the help they usually receive in the classroom. Students sign up for study hall on Monday mornings and volunteer teachers stay after school that day to help the students in their particular areas.

Detention is a form of discipline that was recently instated at BHS. Students in detention must stay after school on Friday afternoon from 3:00 to 6:00 pm with no breaks. They are required to study or do homework during this time. A teacher is always present to make sure everything is done properly.

Hopefully, both of these will prove to be very successful by prompting students to develop better study and behavior habits.

The Old Bench

I sit in the rustic old bench as dusk settles around me like an old security blanket from my innocent childhood days. I watch as the big glowing ball of fire settles over the western trees casting wild, eerie shadows over the now placid lake. Plop! Goes the water as the rain begins to fall, slowly at first, then to a steady, ominous roar. But still I sit in the old worn out bench with the rain cascading over me like a waterfall. Across the way I can barely make out the shape of an old rusty lamppost covered with pinestraw so that it resembles a wild animal, looking lonely, afraid, and forgotten.

My Favorite Place To Be

My favorite place is a single grove of woods that border the river. This small grove is filled with towering oak trees that seem to touch the cotton white clouds above.

In the morning you can see the golden rays of sun cutting through the oddly shaped branches swaying in the gentle wind. You can hear the waves of the river crash against the red clay walls of the land.

The air is filled with the tangible, fresh smell of honeysuckles. An hour or so before dark you can hear the nocturnal creatures start to rumble about the leaf covered terrain. If you will look long enough, you will sometimes see the agile gray fox making his way in search of some kind of meal. As the dusk turns to dark the birds begin to fly to their nest made of old dead leaves from the huge old oaks. After the blanket of darkness has settled on the land, there seems to arise endless sounds that signal the end of a breathtaking day in the grove.

The Storm

The storm was raging outside, blowing the hay with violent intensity. The rain was coming from the midnight sky in whip-lashing torrents. The rain water was sloshing over the swamp-like ground making miniature rivers flowing through the field. It seemed as though all life had ceased to exist as the trees in the distance shrieked their defiance to the winds blowing through the fragile branches. The zigzagging trail of lightening flashed through the sky making the storm seem even more evil than before. The thunder shook the ground like an earthquake making the surrounding area shiver under the fierceness of its attack. It was an awesome sight, the storm lashing out with all its fury at the world before it.

What Was Your Most Embarrassing Moment?

The Hammered Down Table

One day while I was sitting in the art room hammering on a board with my art nails in it, the table collapsed. It fell slap across my legs! Quite stunned, I stayed still for one second while everyone in the class just stared at me. Then I tried to stand up, but I couldn't because my legs were pinned in between the chair and the table. Mrs. Ryan looked up and saw me smashed flat under the table. About that time, I finally got the table up high enough to get out. I put the table down on the floor, and then my bowl of nails went everywhere. That was my most embarrassing moment ever. Now I make it a point to never sit at that table.

The End of Time

In the misty morning, on the edge of
time.

I lost the rising sun, a final sign.

As the misty morning, rose away to
die,

Reaching for the stars, it blinds the sky.

In the misty morning, as I bowed down
to pray,

I knew that this would be my final day.

Goals

Sometimes it seems too impossible to reach so high
Our dreams in life that are sky high
Our thoughts and ideas can be so bold
Just wait and see is all we're told
We all find out when we're way too old,
To look at life as we've been told
And when our children do the same,
We start all over that same old game
We tell them also to wait and see,
Just as our parents told you and me.

Memories "87"

The best part of our freshman year had to be the use of original expressions! I know it's not really a school activity, but it makes me smile every time I think about it. When you are sitting in English and you've just failed a major test, you can't help but smile when your best friend is running down the hall screaming "Anyway!". With the new year came new expressions from "Get a grip" and "On with that" to "Get a real" and "Anyway". Maybe their use wasn't totally understood, but it didn't have to be because these expressions don't have any rules. They are just fun words that make time spent with friends a little bit better and more personal.

The Unforgettable Night

It was a Friday night when Brookwood went to Oak Grove to gain another victory. As soon as we got there we warmed up and tuned for half time. After our performance we came back and played a couple of songs to pep up our team. The bleachers were already weak, so we had to be careful about jumping up and down, but I had so much spirit I just had to let it out! I really wish I had not done that because the moment I jumped up and down those bleachers decided to break under me. Down I went and so did Richard Gilliland. I think we were about the most embarrassed people of the whole night. All the people in the stands looked, pointed, and laughed. So that, folks, was my most unforgettable night.

Good times with good buddies that you can always count on in a tag-team situation.

STUDENTS IN THE SPIRIT

School isn't just all work and no fun, the students always find time to relax and just be with their friends. Pictured here are some students who were caught in the act of being themselves.

The Panthermania spirit is reflected in the

faces of the students of BHS. That is where it all begins, in the heart of the student body. All the different personalities that fill the rooms and halls of Brookwood merge to form a kindred spirit, the spirit of Panthermania.

ORGANIZATIONS

What makes BHS different? What gives it that "Panthermania spirit"? One big reason is that the students are provided with many clubs and organizations to suit their interests. These groups have evolved for several reasons. The most important is probably to get the pupils involved in school. Another is to have social activities that are wholesome and sometimes educational, yet fun. Many students join organizations to enhance their talents. These include programs for areas other than academics, such as yearbook, music, and drama. Through its clubs and organizations BHS has offered a chance for each individual to grow into a well-rounded person.

SENIOR HIGH CHORUS

BHS Chorus, directed by Mrs. Farris, has been a major accomplishment this year. The students have learned a basic knowledge of musical notation and have developed their voices into beautiful instruments. They have shown their talent at the Christmas and spring concerts, the Dessert Theater, and for the PTA.

A few chosen star performers have opted to participate in Ensemble. They have shown their star quality by performing for Jim Walter Resources, the Tuscaloosa Business of Professional Women, and at several public relation activities. Through Ensemble, these students have been given the chance to exercise their potential to its greatest extent.

Mr. Eric Gray came to BHS in mid-summer to rejuvenate a dying band program. One look at those red lanté uniforms on the field made it apparent that life had been restored. With a dynamic show that included "Shinedown", "Jazzin'" and "Sweet, Sweet Spirit", the band received superior ratings at the Tuscaloosa Showcase of Bands and a Childersburg marching competition. The biggest honor for the band came in December when they traveled to Jacksonville, Florida to perform in the Gator Bowl on New Year's Eve Day. They also marched in the Tuscaloosa Christmas Parade, the Brookwood Christmas Parade, and the Gator Bowl Parade. Although they still have a lot of hard work ahead, this group is sure to continue on the road to success.

BHS MARCHING BAND

Mr. Gray's pre-game pep talks, ending with the Lord's prayer and a cheer of "Good Show," inspired the band to winning halftime performances.

Through the rain and cold weather the band's spirit and support for the football team remained red-hot.

AN UNFORGETTABLE EXPERIENCE

The work started in June on a hot summer day with many more to follow. When the 1987-88 Flag Corps began practice, it was hard, but somehow they always found sometime to relax. All of the hard work eventually paid off, though.

During July, the Corps attended the Heart of Dixie Camp at Jacksonville State University, where

they received excellent ratings. Later, with the help of Kathy Lawrence, a U of A Flag Corps member, they went on to achieve superior ratings at both the Showcase of Bands and at a competition in Childersburg. To top off the year, the flag corps went to the Gator Bowl to perform at halftime, an experience never to be forgotten.

The 1987-88 rifle corps worked extra hard this year. In early summer they met their new band director, Mr. Eric Gray, who got them started right away. This included long practices almost every day and also going to camp for a week at Jacksonville University. Those first few months were very frustrating, but after the first performance in front of our own school the hard work felt worth it.

The rifles, along with the rest of the band members, were included in two different competitions. They not only competed in Tuscaloosa, as usual, but also in Childersburg, where the rifles received a superior rating. During the Christmas holidays they performed in two different parades and they were invited to perform at the Gator Bowl to wrap up a great year.

STAGE BAND

Not pictured: Aleetha Stanley.

In addition to Brookwood's traditional instrumental groups, a new band has been formed . . . the Stage Band. Providing a fresh change from past years, this group's music consists of jazz, jazz, and jazz. From "The Muppet Show" to "Some Kind of Friend" the stage band has impressed audiences everywhere it has performed.

A new idea that was tried with the stage band was concerts at elementary schools. Some type of band group normally plays for pre-junior high students each year, but not at their own school. The band got a taste of traveling "on the road" as they loaded a bus early that morning. This was only the first of six loadings or unloadings of equipment during that long day. When it was all over, the students felt that the travels had been worth the effort and that they had played and "instrumental" part in recruiting new band members for the coming years.

MAJORETTES

The 1987-88 majorettes consisted of eight hard-working girls who began their year in June. They attended camp in Gulf Shores, Alabama, and were under the instruction of Marion Powell, Crimsonette choreographer from the University of Alabama. They learned a variety of routines, including a fascinating fire routine, which were used throughout the season. The finale for this year's majorettes took place in Jacksonville, Florida. The girls were invited to participate in the half-time festivities of the Gator Bowl. This entailed a lot of hard work, but was an experience they will remember for the rest of their lives and was an end to a very successful year.

CONCERT BAND

Besides the addition of a new director, the concert bands also got a new format. Tryouts were introduced for symphonic band while everyone from eighth grade up became members of the concert band. Audiences got a taste of what these groups had to offer at the Christmas concert. The symphonic band will also travel to district competition to be judged on their performance. Both bands provide more of an "artistic" touch to the band program and give the students an opportunity to show off their ability in a different atmosphere than a football stadium.

Speech and Drama is in its second successful year! The primary goal of these courses is to help improve the students' communication skills and expose them to the theatre arts. Even though these skills are very important to success in college and careers, they achieve their goals in interesting ways. Over the past two years, Speech and Drama has seen Broadway productions of "Evita", "A Chorus Line", and "Ain't Misbehavin". They have also had season tickets to the University of Alabama plays. Some people even

ushered at the Bama Theatre, helped build props and sets and even performed in productions at the Bama Theatre.

Speech and Drama, for the last two years, has gone camping and participated in Tannehill's Living History week. This year they have started a debate team that will be great next year.

We also have produced two of our own plays and made plans to visit New York City and see some musical productions.

SPANISH CLUBS

Who says you can't have fun with education? The Spanish classes don't think so. They have celebrated Spanish holidays year round including the Day of the Dead and Valentines Day with greetings in Spanish. They also held a ceremony for the Virgin of Guadalupe. One thing they really enjoyed was watching the Spanish soap operas and translating them.

THE MATH TEAMS

Brookwood has math teams at all levels from Seventh grade, Alg. I, Alg. II, Geometry, and Advanced Math. Participation on a math team helps to stimulate interest in math by encouraging more students to include math in their program of study, and thereby to raise the level of mathematical competence in our school. This is a chance to honor students who are outstanding in their knowledge of math through competition with other schools of like size.

ADVANCED MATH TEAM: Front Row: Steve Hyche, Monica Fields, Shannon Graham, Doug Walker. Back Row: Kurt Howard, Paul Thompson, Anna Ellard.

MU ALPHA THETA

Mu Alpha Theta is a math honorary program for students who are enrolled in their third advanced level math course with a "B" average in math and a "B" average overall. Mu Alpha Theta is intended to promote interest in the study of higher level math courses for the college-bound student.

MU ALPHA THETA: Front Row: Katrina Crowe, Pres.; Paula Surwic, Vice Pres.; Anna Ellard, Sec.; Doug Walker, Treas.; Mrs. Noland, Sponsor. Back Row: Amye Rice, Charles Black, Shannon Graham, Tracy Tate, Missy Hickox, Steve Hyche.

A PROMISING FUTURE

In today's society, computers are not only helpful but they are essential. Nobody at BHS probably knows more about this than Mrs. Williams and her Computer Science Team. She teaches her students to write programs used in businesses and business applications. They also learn word processing and data base. These skills will be useful in major industries and companies.

For the time being, the Computer Science club will use these skills in Computer Science competitions. Among these competitions are the regional competition at Marion Institute and hopefully the state competition in Birmingham. Yes, this is the computer age and Brookwood has a group with a promising future in the field of computer technology.

BIO — PREP

BHS Bio — Prep students are carefully selected at the end of their eighth grade year to enter a very challenging academic program in grades 9-12. The Bio — Prep program, sponsored by the University of Alabama, is designed to prepare a selected group of students at BHS for the tough academic demands of college, both in the classroom and on field trips to the University. Bio — Prep students, like all BHS college-bound students, are learning that ability and motivation together can produce outstanding results, both in high school and beyond! Keep up the hard work, kids!

BADD ... SOMETHING TO BE PROUD OF.

Brookwood Against Drinking and Drugs, better known as the "BADD" club, has affected more students than Mrs. Todd and Mrs. Wood, the sponsors of this club, ever dreamed. When they first started, their main goal was to educate the students on medical facts about drugs so that they would see the harm it can cause. The sponsors wanted the students to know that BHS faculty members would be

there if any student has a problem with drugs. So far over three-hundred students have responded in a positive way by joining BADD.

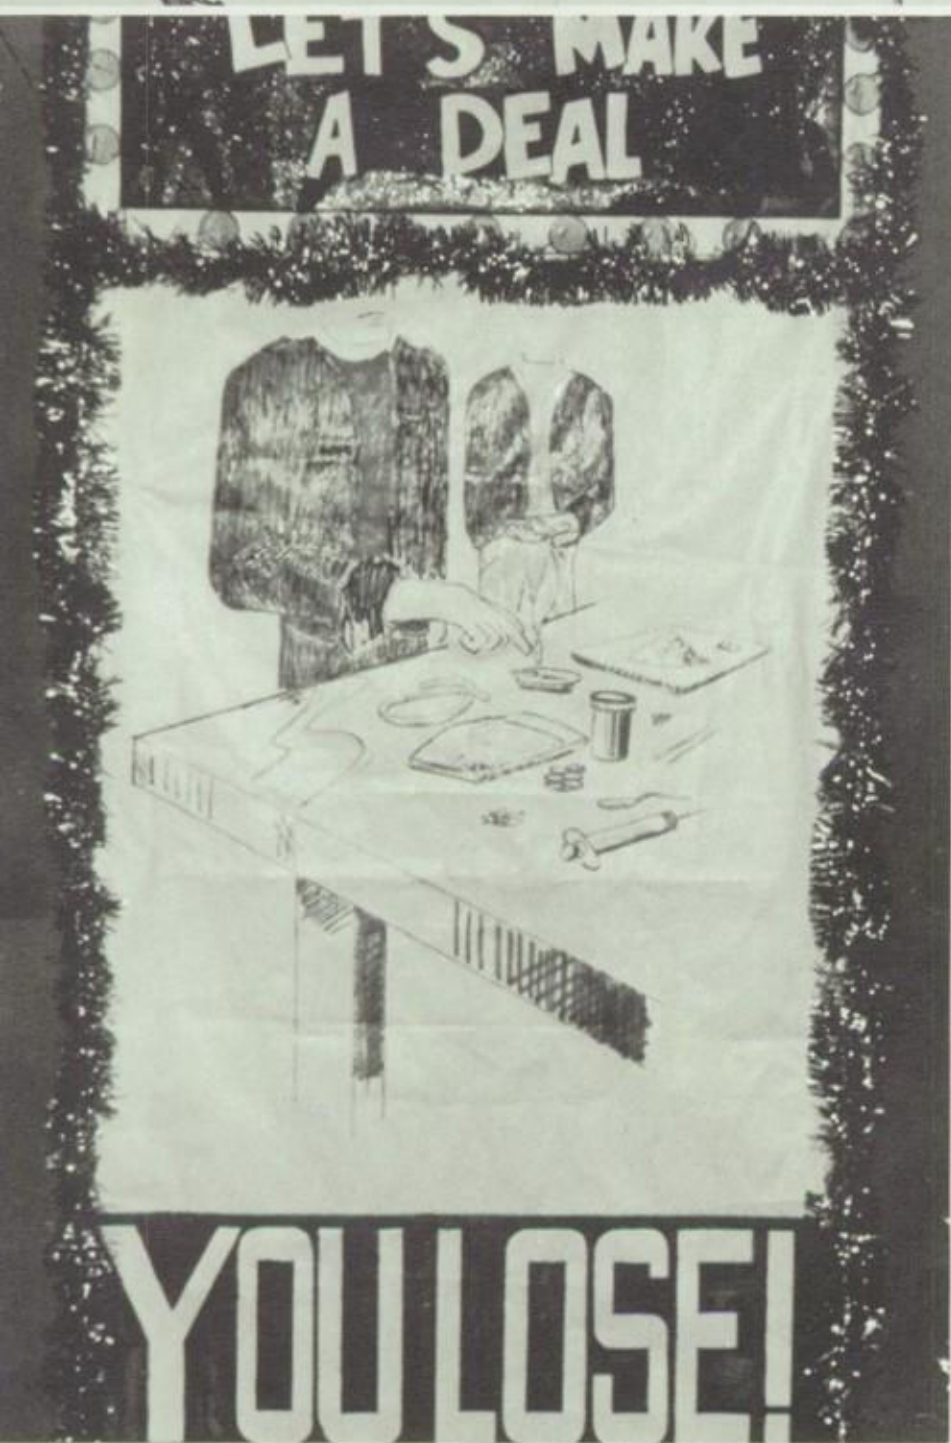

The BADD club has made BHS a school to be proud of! When someone asks you where you go to school, you can stand tall and say, "I'm from Brookwood, one of the straightest schools in the county."

JUNIOR HIGH MEMBERS

PRIDE TIDE

Tide Pride is a group of seventh grade students selected to lead a drug awareness program among seventh graders at BHS. They have taken a firm stand against the use of drugs and alcohol, and offered their help to any seventh grader having a problem with drug use.

Wade Gamble, Jennifer Gaines, Christy Reed, Darrell Williams, Chris Brakefield, Jarrod Hughes.

TIP

TIP students are students from the seventh grade who have scored in the 97th percentile on a recent standardized achievement test. They are selected to compete in a national competition and to attend a summer program at Duke University in North Carolina.

SOCIETY ROLES

The goal of the FHA is to help young people assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation and community involvement.

The yearly projects for 1988 range from a

trip to Six Flags to recruiting people to speak on topics such as school spirit, banking, teens and the law, and alcohol and drugs. Sponsors are Mrs. Darlene Farris and Ms. Monica Cochran

YEARBOOK EXPERIENCE COUNTS

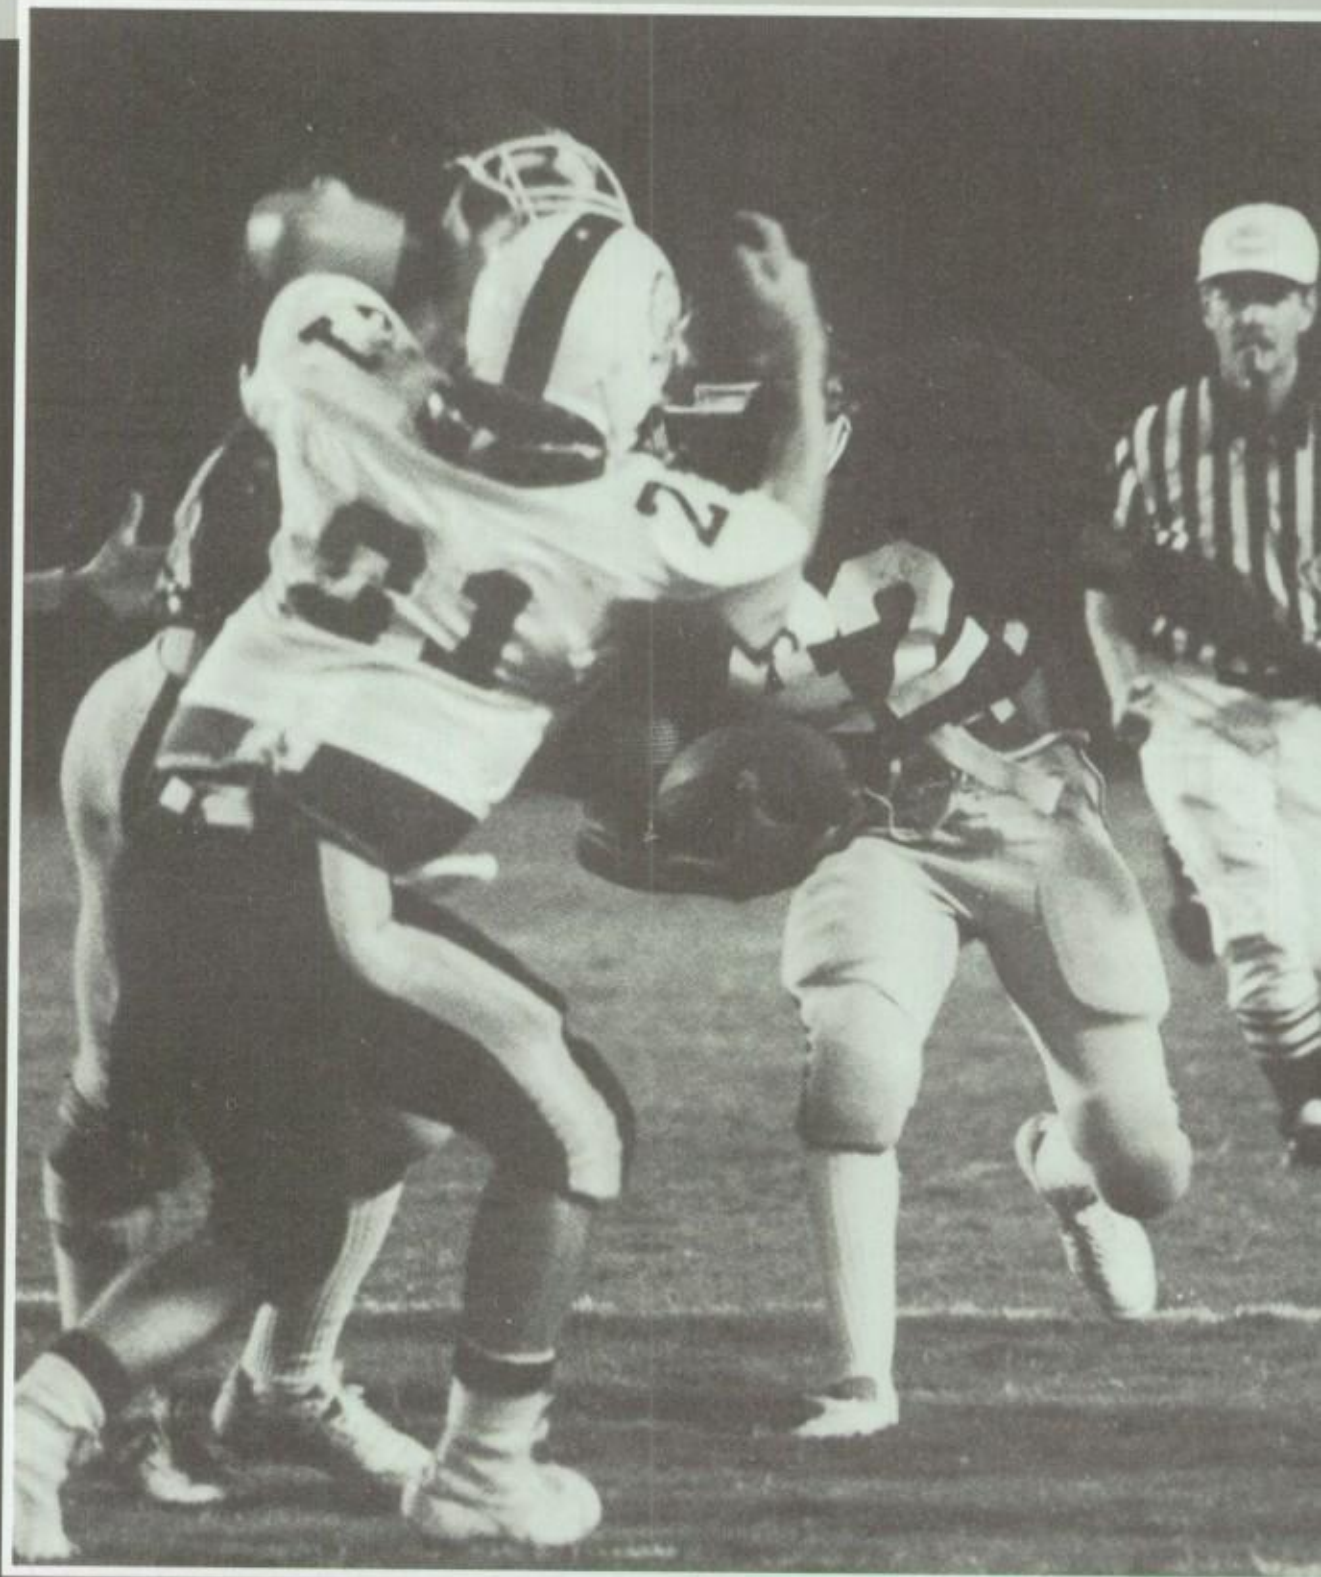

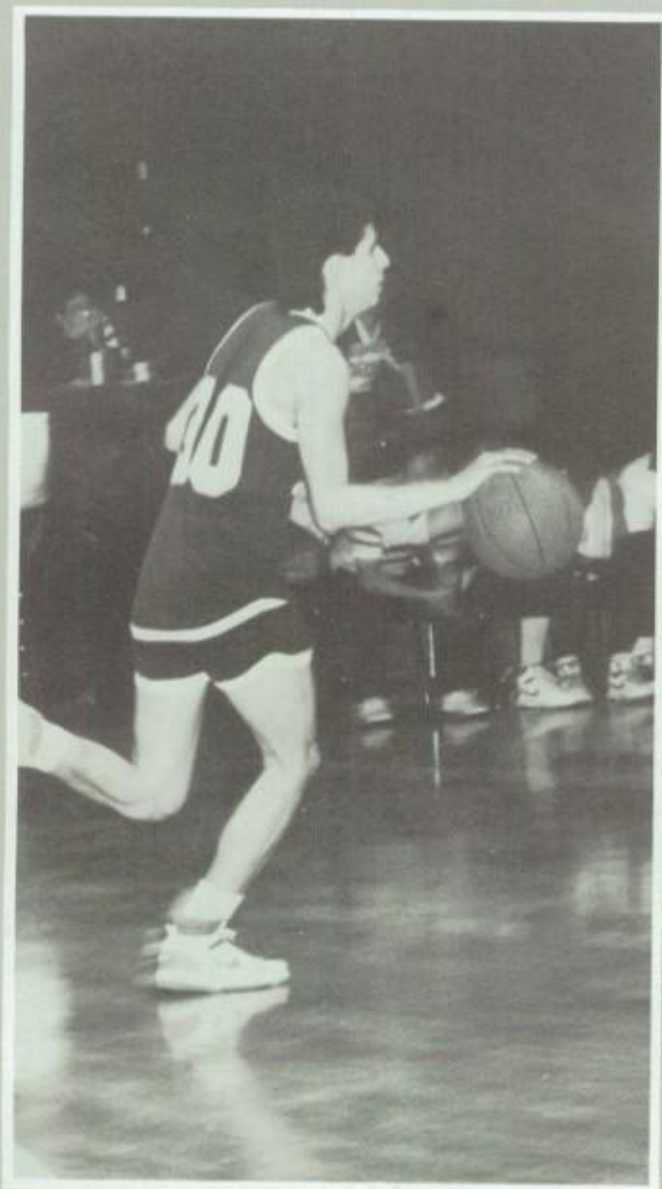

Being a part of the yearbook staff has lots of advantages when it comes to knowing ahead of everyone else what is going to be in the yearbook, but that hardly makes up for the hard work. This year's staff benefitted from a lot of experienced members, making the long road to completion a little easier to bear.

The theme from this year's book was inspired by staff member Brent Meadows whose dedication to "Hulk — a — Mania" we are constantly reminded of. The overall year has been a success according to our publishing company who chose this book for a sales example.

PANTHERON STAFF RUNNING WILD

SPORTS

Panthermania certainly ran wild in BHS sports this year. The Varsity football team had one of the best seasons in thirty years, and the Varsity basketball team had one of its best years in the last decade. The Jr. High basketball team, Jr. High basketball team, and volleyball teams all gave great efforts also this year and the baseball team rebounded after a losing record last year. Most importantly, Panthermania showed up on the sidelines this year in their display of guts, heart, and determination.

Brookwood 17 / Greensboro 9

The Panthers kicked the 1987 football season off with a bang. The team had to make a long road trip to Greensboro, but the trip had no effect on the Panthers' playing ability.

The game started off when Greensboro had a bad snap from the center on a punt. The offense could not get the football in the endzone. David Daniel entered the game and kicked a 27 yard field goal. Greensboro then put together a drive that would tie the score at 3 to 3.

The Brookwood offense got geared up and scored two touchdowns. The first touchdown was in the second quarter when Kendall Crawley scored from one yard out. The other touchdown came in the third quarter with Crawley scoring again. The Panther defense held tough against the mighty air attack from the Raiders. Greensboro scored a touchdown with two minutes left in the game to leave the score 17 to 9.

Brookwood 9 / Pickens County 6

Brookwood traveled to Pickens County remembering a defeat two years ago at the hands of the Tornadoes. The Panthers avenged their loss though, on September 4, 1987.

The Panthers lost the toss and kicked to the Tornadoes. The defense held strong and made the Tornadoes punt. The punt return was good and fired up the team. The offense took the ball down the field and scored a touchdown. The extra point was no good so the score was 6 to 0. The Panthers got on the board again in the second quarter when David Daniel kicked a 40 yard field goal.

However, the game was not as close as the final score showed. The Panther offense ran for 254 yards, while the defense gave up no points all night. Pickens County scored their only points of the game when they advanced a fumble 80 yards for a touchdown making the final score Brookwood 9 / Pickens County 6.

Brookwood 20 / Bibb County 6

The Brookwood vs. Bibb County game was called the Game of the Week by The Tuscaloosa News. The game was a wet and wild contest. Brookwood did not disappoint their fans who weathered the storm.

The Panthers opened the game on defense. The Panther defense held the Choctaws to a punt. The Panther offense scored on a long run by Ced Johnson. The second score came when Pat Brooks returned a punt 68 yards for a touchdown, leaving the score at 14 to 0.

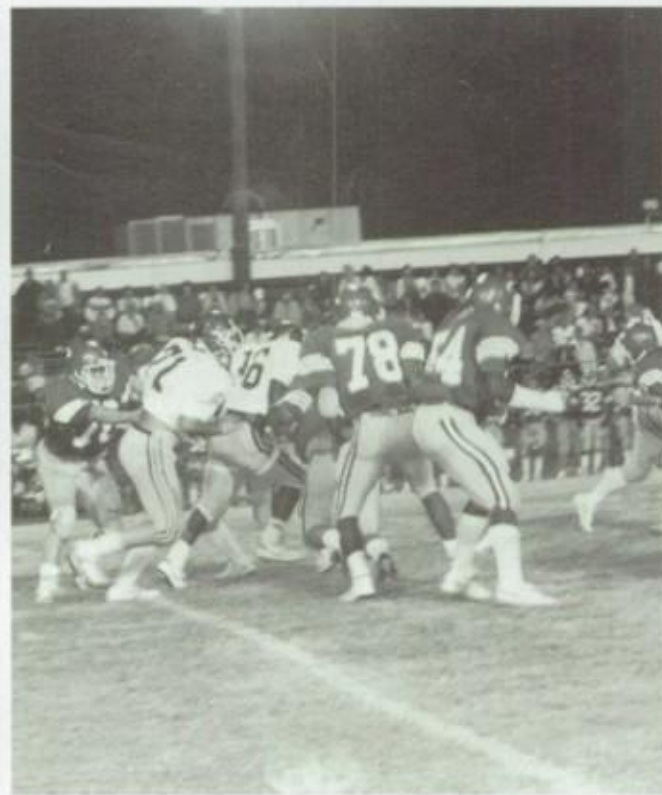

The third and final touchdown for the Panthers came when Kendall Crawley scored on a 20 yard run. Coach Wright put the B-team in for the second half. The B-team held Bibb County to only 6 points in the second half. The final score was Brookwood 20 / Bibb County 6.

Demopolis 19 / Brookwood 7

The Brookwood vs. Demopolis game was a game that Brookwood wants to forget. The Panthers kicked off and with 11:45 left in the first quarter Demopolis shocked the Panthers with a 79 yard touchdown run. From that point until halftime was downhill for the Panthers.

The Panthers fumbled on their own 10

yard line and Demopolis recovered and scored to make the score 13 to 0. The final score for Demopolis came on a 75 yard drive.

Brookwood scored on a blocked punt by Shannan Dodson. Jeff Atchley picked the ball up and scored 6 points. David Daniel kicked the extra point to make the final score Demopolis 19 / Brookwood 7.

Brookwood 17 / Gordo 14

Brookwood and Gordo was a traditional rivalry that ended this year on a positive note.

Brookwood started the game off by scoring a 62 yard touchdown run by Kendall Crawley. During the first half the offense scored on all three possessions. Pat Brooks threw a pass to Shannan Dodson to make the score 14 to 0. The final score for the Panthers came on a field goal by David Daniel of 57 yards.

The half ended when Gordo scored a touchdown with 13 seconds left. The second half was filled with mistakes, but the defense held strong to a 17 to 14 victory.

Brookwood 16 / McAdory 8

The Brookwood vs. McAdory contest was an even contest. The Panthers went into the game 4 and 1. Last year the Panthers were also 4 and 1 but lost to McAdory 7-0.

Brookwood received the opening kickoff and drove to the McAdory 20 where the drive stalled, but David Daniel kicked a 37 yard field goal to make the score 3-0. The defense held at the goal when Pat Brooks made an interception. The half ended Brookwood 3 / McAdory 0.

Brookwood kicked off in the second half and the Panther defense set the tone forcing the Yellow Jackets to punt after three downs. The Panther offense then scored a touchdown when Kendall Crawley ran 13 yards to make the score 10-0. In the fourth quarter the Panthers had the Yellow Jackets deep in their own territory when Brent Meadows recovered a fumble to set up Crawley's second touchdown. McAdory scored late in the game to make the final score Brookwood 16 / McAdory 8.

Brookwood 20 / Oak Grove 0

The Brookwood Panthers shut-out the Tigers of Oak Grove. The game started off shaky as Brookwood fumbled two punts and had to survive a field goal attempt with 7:00 left in the first quarter. The offense struggled in the first quarter which left the score 0 to 0.

In the second quarter Kendall Crawley ran a 58 yard touchdown behind some great blocking. The Panthers then ran a fake kick for the point after and Pat Brooks threw to Chris Gibson for an 8 to 0 score at the half.

In the second half the Panther offense drove down the field and David Daniel kicked a field goal to make the score 11 to 0. Later in the third quarter Pat Brooks threw a 27 yard touchdown pass to David Daniel to make the score Brookwood 18 / Oak Grove 0. The final score of the game came when Oak Grove fumbled and the Panthers recovered the ball in the endzone to make the final score Brookwood 20 / Oak Grove 0.

Brookwood 13 / West Blocton 7

This contest was the best game ever for the Panthers against the Tigers. It was of major importance for both teams. West Blocton was trying to go undefeated and Brookwood had something to prove to the people.

The Panthers won the toss and elected to receive the opening kickoff. The teams exchanged punts until the Tigers attempted a fake punt and were penalized for an illegal man down field which gave the Panthers the ball on the Tigers 38 yard line. Brookwood scored on a pass from Kendall Crawley to Chris Gibson.

The Panther defense held Steven Thompson to just 79 yards, but late in the fourth quarter he broke loose for a 20 yard touchdown run which tied the score 7 to 7. The game went into overtime. West Blocton had the ball on the 10 yard line but the Panther defense kept them out of the endzone and then they missed a field goal attempt. The Panther offense then scored when Kendall Crawley ran the ball in from the 1 yard line which made the final score Brookwood 13 / West Blocton 7.

Hillcrest 9 / Brookwood 0

Brookwood and Hillcrest were playing the game that would decide who would represent Class 5A Area 7 in the playoffs. Holt was already in and by the end of the night, the winning team would be in with them. The game was a classic defensive struggle.

Brookwood received the opening kickoff but could not do anything with the ball so they had to punt. The Patriots drove on Brookwood in the first half twice but both times the Panther defense stiffened at the goal line. The Panther offense had been stopped by the Patriot defense for the first half also which made the score at halftime, Brookwood 0 / Hillcrest 0.

The game went in the same type fashion in the third quarter. The fourth quarter was the deciding quarter. Two Panther fumbles led to the only two scores of the night. The final score stood at Hillcrest 9 / Brookwood 0.

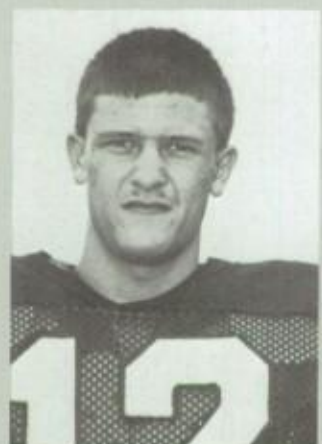

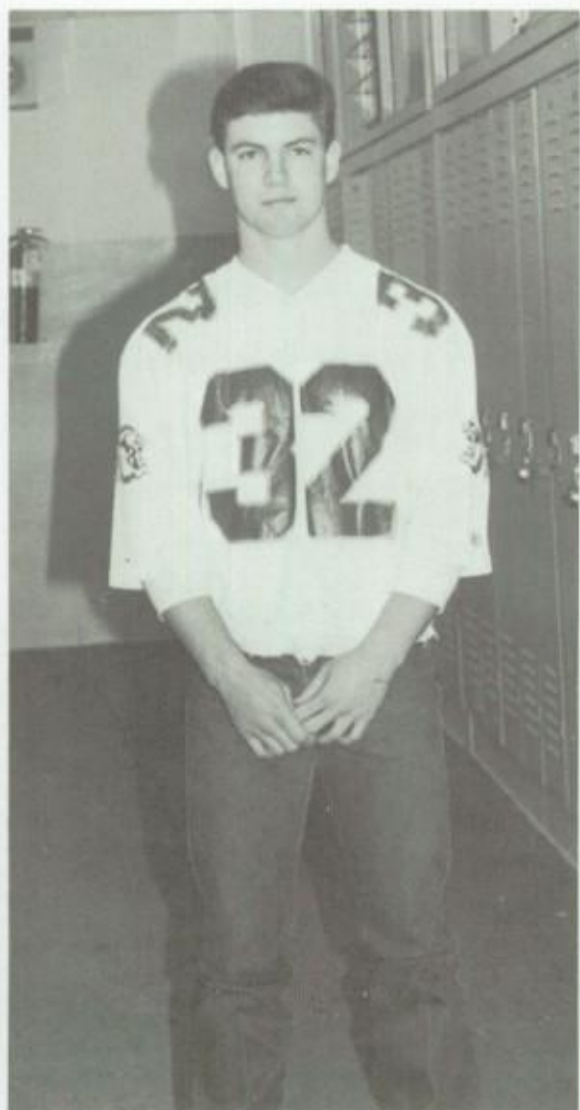

Brookwood 14 / Holt 12

Since Coach Wright has been at Brookwood, the Panthers have not been defeated at home by Holt. This year was no different. This game displayed the true meaning of the word "rivalry".

Brookwood received the opening kickoff and returned it 64 yards. The Panther offense then drove the ball to the Holt goal line where Kendall Crawley scored from one yard out. The Panther defense then held the Ironmen to 3 downs and a punt. The Panther offense scored one more time when Pat Brooks threw a pass to Shannan Dodson.

Holt scored early in the second quarter on an end around play. The half ended with the score Brookwood 14 / Holt 6. Nothing much happened in the second half until Holt got the ball on their own 20 yard line. They put together a 25 play, 80 yard drive to make the score stand at Brookwood 14 / Holt 12. Holt went for two but Kelly Douglass intercepted the halfback pass. The Ironmen had one more opportunity to score but Tommy Rogers intercepted a pass with 40 seconds left in the game. The final score after this thrilling contest was Brookwood 14 / Holt 12.

“LEADERSHIP!”

The '88 varsity football team was lead by the seniors. Three years ago, these same seniors suffered through a 1-9 football season, but after that they made up their minds to become a winning football team. They bled, sweated, and shed many tears to become the “class” football team they were this past season.

When Brookwood was beaten by Demopolis, the seniors' dream of an undefeated season was shattered, but they lived through that disappointment to win five more games. The team stumbled one more time, losing to Hillcrest which knocked the Panthers out of the playoffs. Although they lost their chance to be undefeated and go to the playoffs, they did achieve something that few other BHS teams have accomplished — a winning season at 8-2.

The 1987-88 varsity cheerleaders have had an awesome year of fun and cheering. This summer, the cheerleaders worked two months to get ready to attend UCA's cheerleading camp in June at Montevallo. The squad worked together tremendously well and it paid off. They walked away with the superior trophy, key to spirit award, all superior ribbons, and a spirit stick. To have some fun, the cheerleaders entered a six-foot long submarine sandwich eating contest. They won first place by eating the six foot sandwich in less than fifteen minutes. Among their other awards were a second place trophy in the Christmas parade, and a superior ribbon from the National Cheerleading Championship. All but the four seniors, will be trying out again and look forward to another successful cheering season.

SENIOR SPIRIT

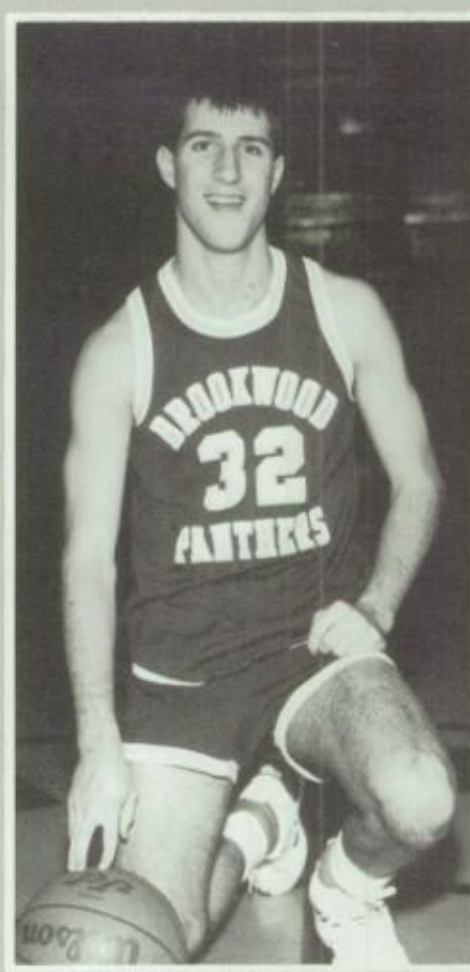

The seniors' contribution to the basketball team this year was a large one. The six senior players provided both support and morale, which gave spirit and an incentive to the rest of the team. Hopefully this will be carried into next year's season.

VARSITY BASKETBALL

The Varsity basketball team had a good year according to Coach Patrick. He added that the players were a good, hardworking group that performed really well together. The team wanted to win more games, but they were unable to pull things together and do so, however, they put forth real effort and gave their all, and in the end, that was their victory.

“ENTHUSIASM”

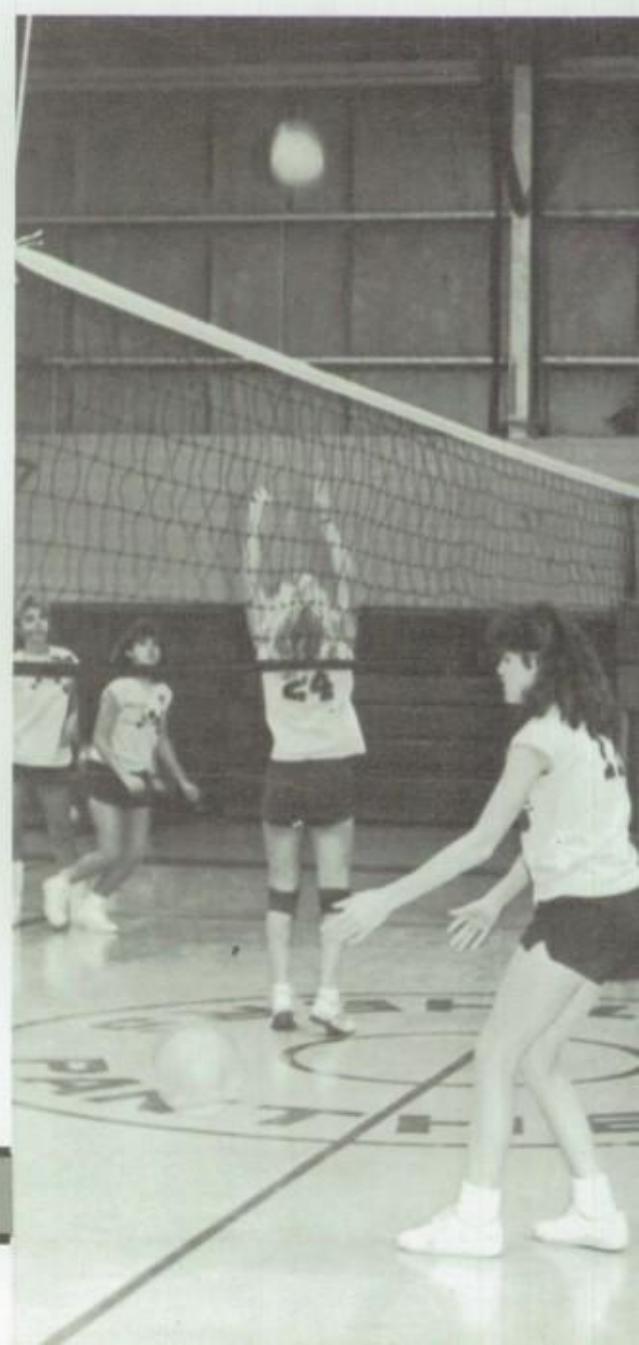

B-TEAM BASKETBALL

Coach Foster, Preston Chase, Brian Duvall, Jeff Essman, Barry Griffin, Chris Marshall, Brant Merriam, Jeff Pardue, Barry Sadler, Brent Reach, Larry Sumrall, Chris Williams, Eric Williams

The Varsity B-team was the best Coach Foster has had in nine years. They were a team who put a lot of effort into the games and practices. The team started slow with an 0-8 record. They improved as the season progressed winning three games at the end of the year. Player Jeff Pardue summed up the year saying, "We definitely learned a lot." Even though their record wasn't great, they displayed character. Player Brent Reach commented, "We tried and hustled the best we could." Coach Foster said he was very proud of the B-team this year.

nt: Nikki Young, Julie Cain, Christy Dockery, Monica Hutchins
 k: Marcy Fisher, Tammy Rogers, Monnie Avery, Christie Best

The varsity team was slow getting started, but talent, skill, and ability came through for a pretty good season. Coach Spencer said the team lacked total team commitment though and could have been better. She said volleyball players must be dedicated, patient, and willing to give up time and energy to practice and play the game. They must also be willing to work and practice individually as well as a team.

ACTIONS WILL SHOW

Coach Evans says that the baseball team is real good on paper, but he wants to see what the team is like in action before he predicts what the season will be like. The team has experience in almost every position this year. The leading pitcher will be Ricky Johnson, who won

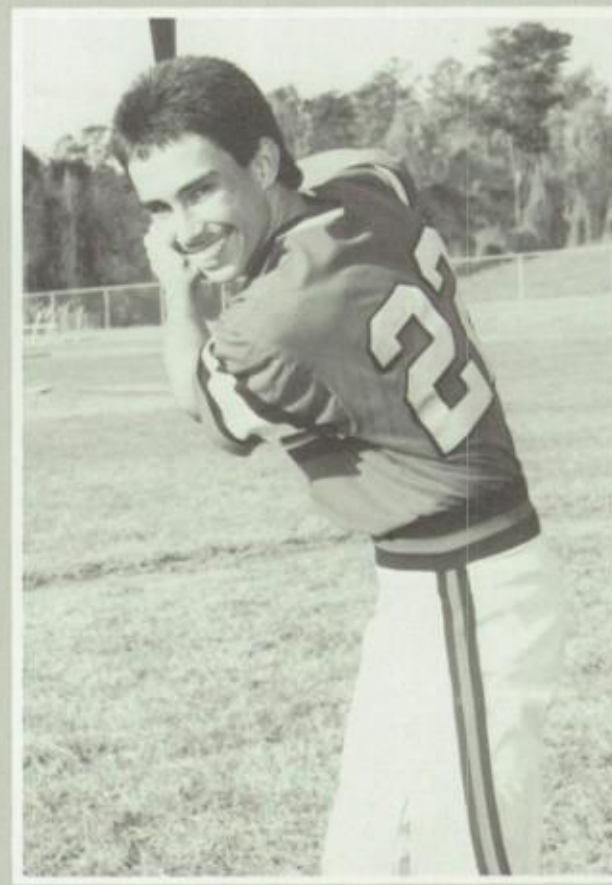

four games and only lost one as a sophomore. The seniors should provide good leadership this year. Brian Kelly is expected to be the team's leading hitter. He batted .354 and hit two homeruns as a freshman. A great year is in store for this spring.

JR. HIGH CHEERLEADERS

The 1987-1988 Jr. High Cheerleaders had a challenging year. They attended an UCA camp this summer. At the camp, they learned several cheers, chants, and a dance that they put to good use during their cheering season.

The cheerleaders kept their spirits up during the Jr. High Panthers 4-4 season with loud cheers, sparkling smiles, and challenging pyramids. The next step for seven of the Jr. High Cheerleaders is tryouts for the '88 season.

DETERMINATION

"The Jr. High basketball team started off slow" said Coach Moss, "but they made good progress during the course of the year." He said that the boys had a lot of energy and drive. By the end of the season they were doing very well.

JUNIOR HIGH VOLLEYBALL

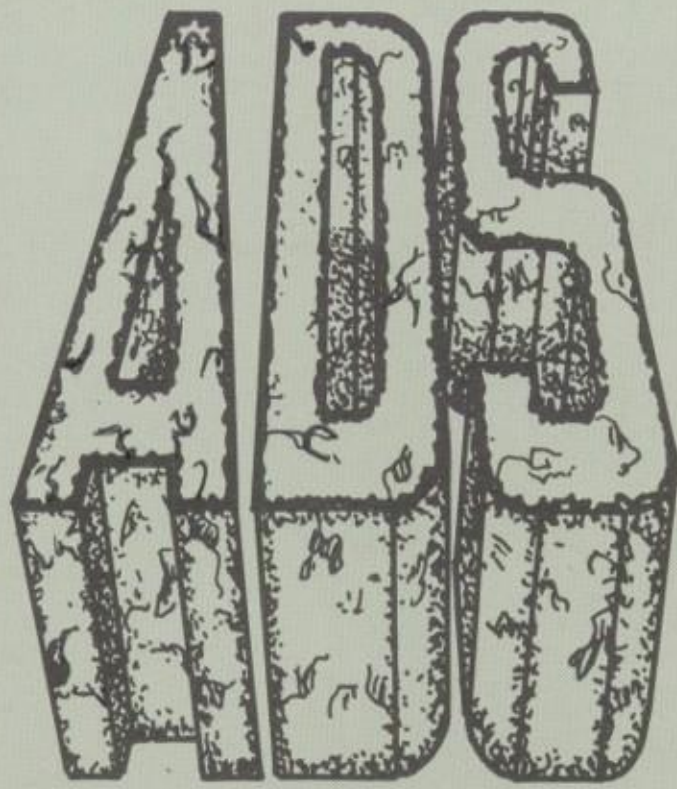

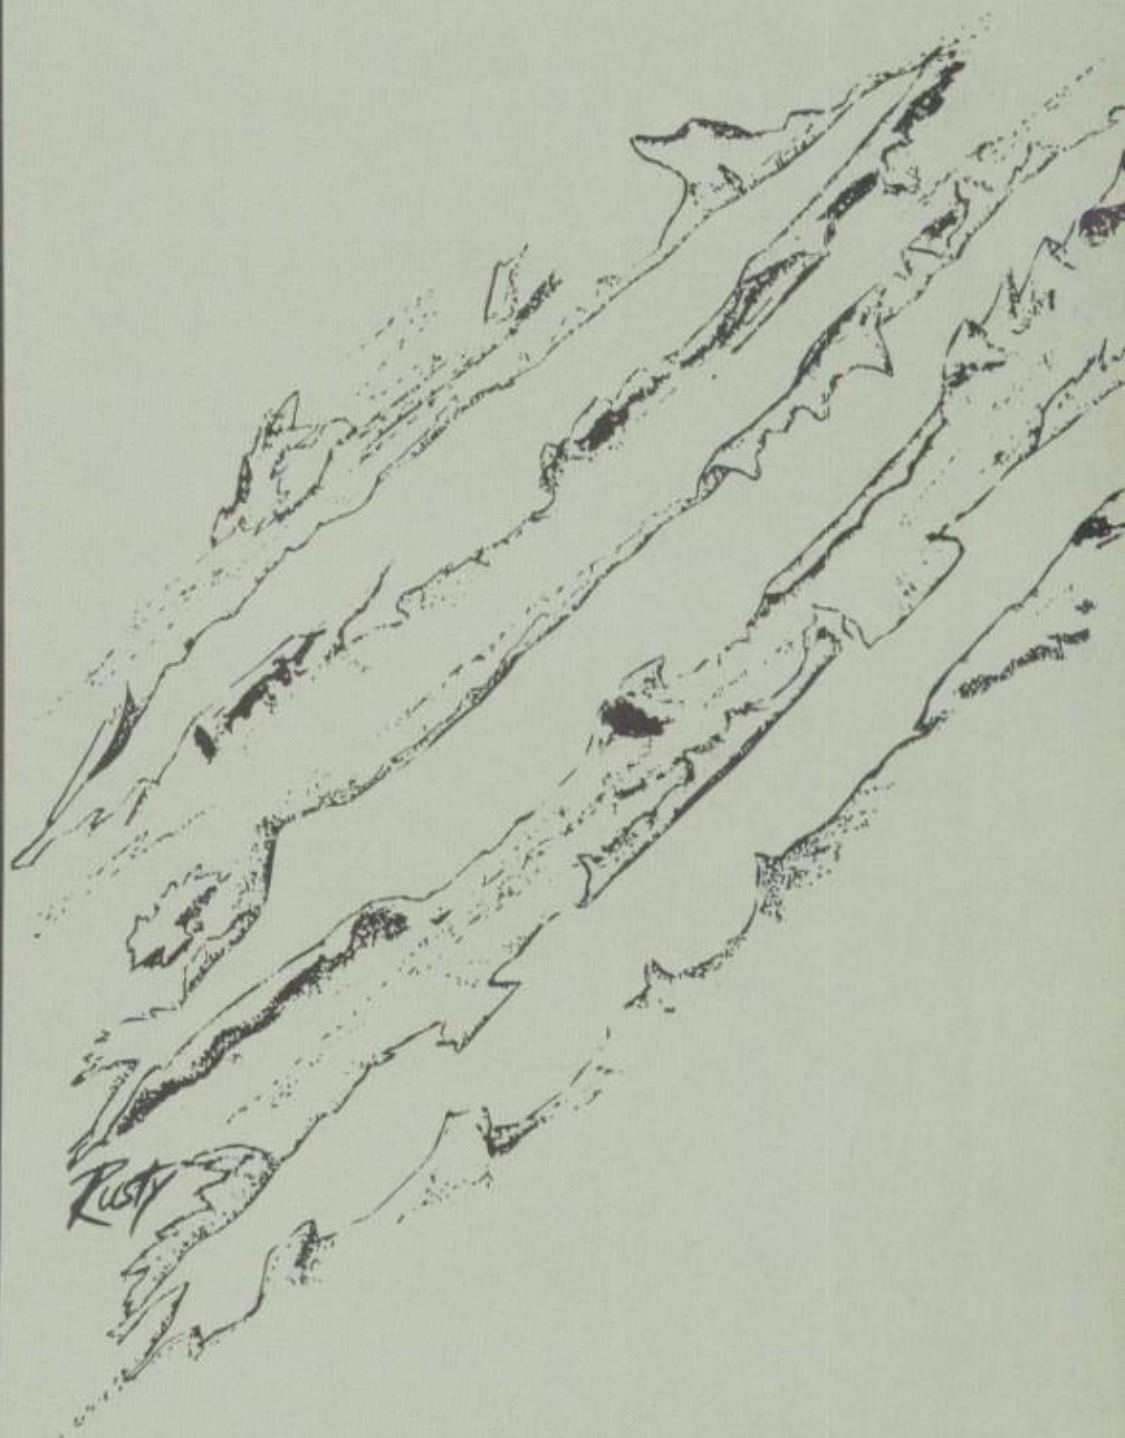

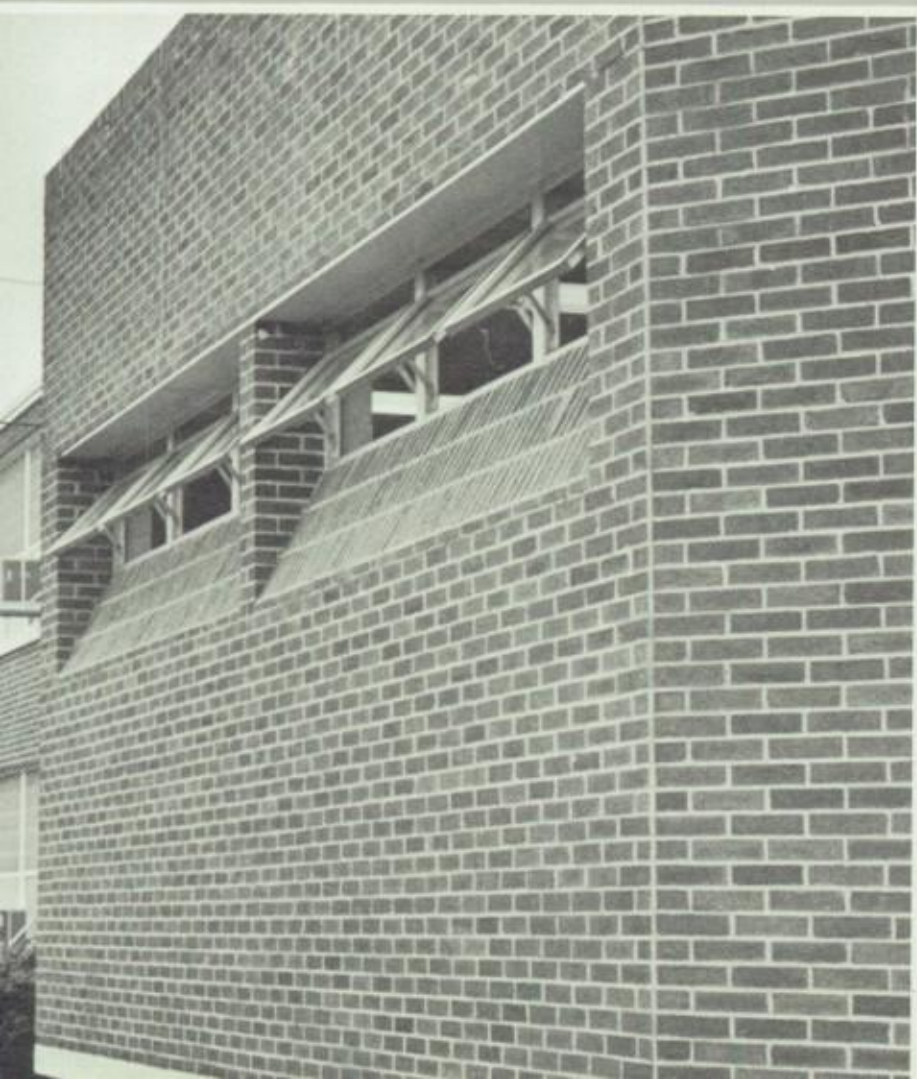

The junior high volleyball team had a winning season this year. Coach Spencer was very proud of these girls. The team is small in numbers, but very rich in skill and talent. They started out with one starter injured, but the other girls pulled together in order to complete a successful year.

A TOUCH OF LOVE

You were six months old and full of fun with a blink of my eye, you were suddenly one. There were so many things we were going to do, But I turned my head and You turned two. At two you were very dependent on me, But independence took over when you turned three. Your third birthday, another year I tried to ignore, But when I lit the candles, there weren't three, but four. Four was the year that you really strived. Why, look at you now, you're already five. Now you are ready for books and for rules. This is the year that you go to school. The big day came, you were anxious to go.

We walked to the bus, going oh, so slow. As you climbed aboard and waved goodbye, I felt a lump in my throat and tears stun my eyes. Time goes so fast, it's hard to believe that just yesterday you were home here with me. And tomorrow when the bus brings you home and you jump to the ground. You'll be wearing your cap and graduation gown. So I'm holding to these moments as hard as I can, because the next time I look, I'll be seeing a man.

WE ARE SO PROUD OF YOU, JEFF

THE END OF AN ADVENTURE

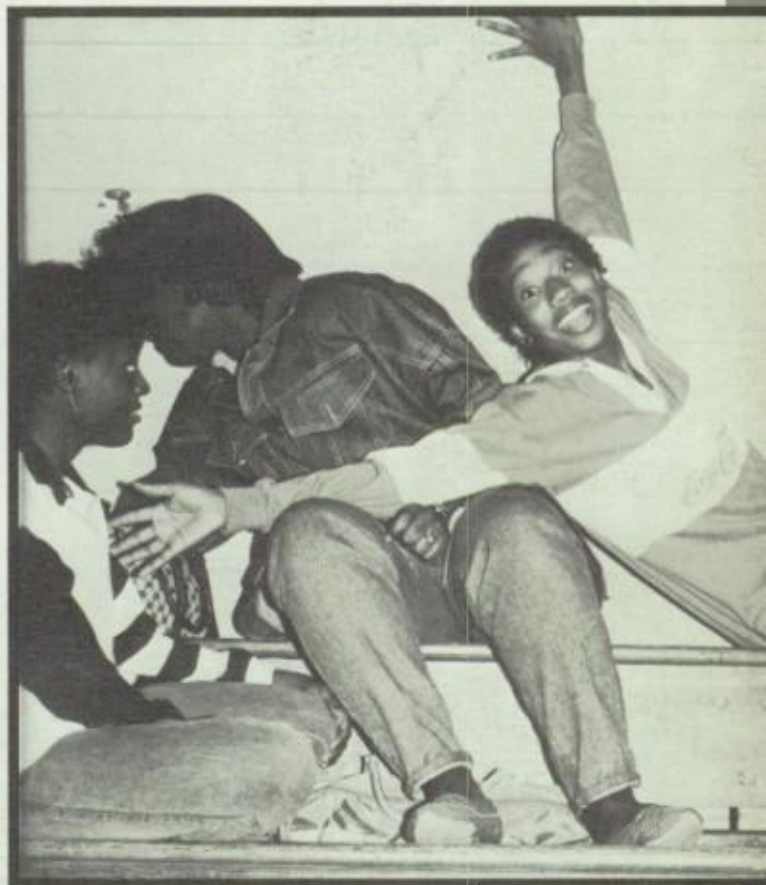

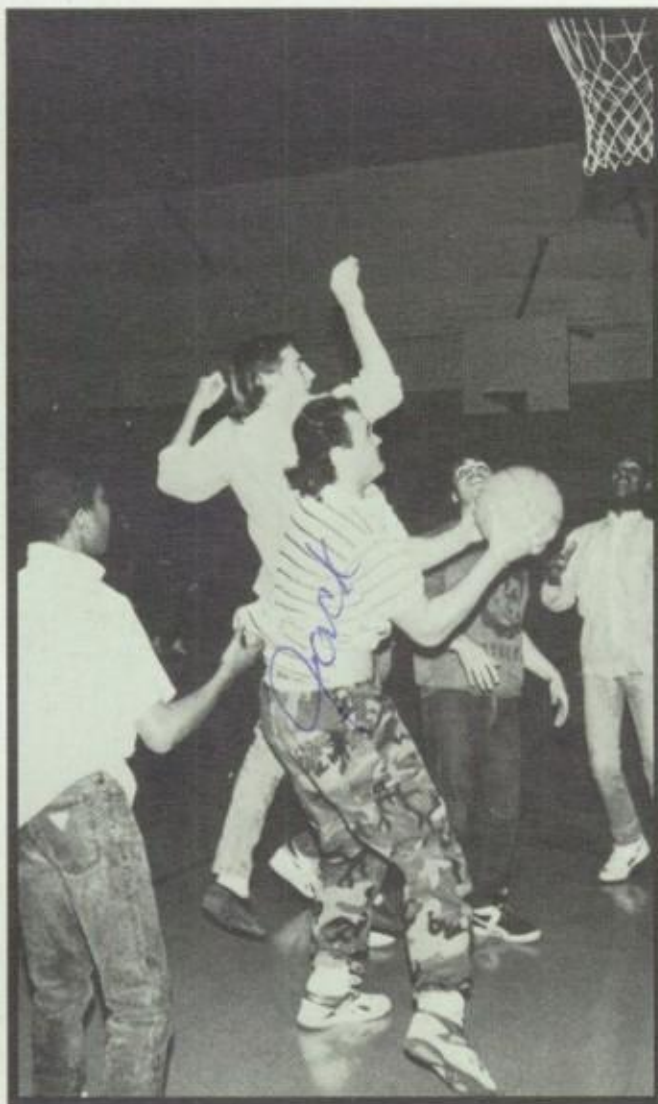

The spirit runs on!!!

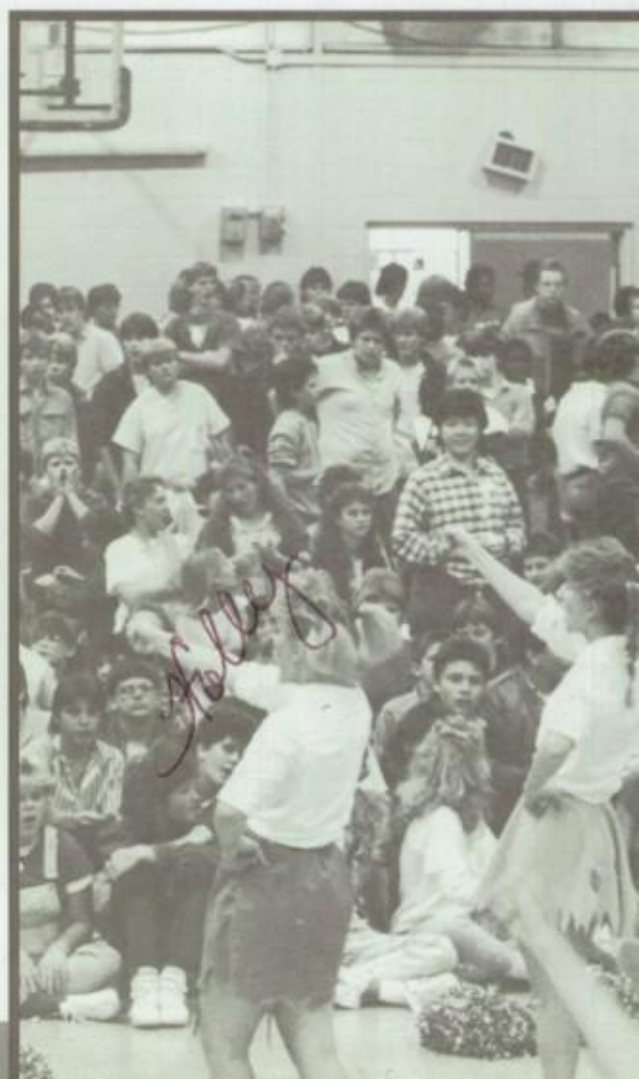

This is but one adventure in Panthermania, one in a long series of big adventures. Those courageous enough to carry on will continue the "Running Wild" spirit for another year, and those who leave won't really leave

completely-that would be like Hulk Hogan retiring. Unthinkable! So in the words of the Hulk himself, "Say your prayers, take your vitamins, and train hard."

"Say your prayers, take your vitamins, and train hard."

Spring fever spreads as students wait anxiously for summer vacation.

SUMMERTIME

The end of the yearbook often symbolizes the end of the school year, but this theme, "Running Wild," will simply grow as summer approaches. Students cannot await the freedom and good times that summer always seems to bring. The seniors will depart for various

trips while everyone else tries to make the most of their short three months. Some students lose contact over the summer, but the feeling that is Panthermania will bring them all back next fall, a little darker, a little older, but still as close.

After a long school year the summer seems so short.

Del, Best Friends Always!

Well girl, here we are going in the 8th grade, finally! (Praise the Lord we made it!) I know that someone now has already signed this book has said that you are "best friends", well, for some silly reason, she sure don't act like it, huh? You are *MY Best friend*! I sure hope we make it together all the way through our school years. You have ALWAYS been here when I needed you, now here I am for you when you need me. I know that I haven't written as much as Shauna, but I don't have to take up the whole book to tell you how much you mean to me. I really don't know how my life would be if you weren't around!

Love ya!

Debi,

Hey girl! Well I really don't know where to start, so I'll start here. We just started being friends this year. And I hope we'll be friends forever. You're always there when I need someone to talk to, so I just wanted to tell you that I'm here if you need me, and that ~~I hope you and Blake get back together~~. I know how much he means to you, so go get 'em' girl! Well I guess this is all I really have to say. But I am so glad we're friends. Stay close and keep in touch.

Debi,
Hey It's been great
knowing you, your the
kind of person it's hard
to forget, (Not that I'd would like
to!) But I hope that it
will always be as fun
as it was this year, and
I'll always remember you
